County Woman Is Critical; Hit By Auto

Mrs. Paul (Ottie) Weaver, 62, M. St., Littlestown, is in a critical condition at the Warner Hospital today after having been struck by an auto on W. King St., Littlestown, about 7 o'clock Friday night.

Mrs. Weaver was unconscious from skull injuries when removed to the hospital in the Littlestown ambulance Friday night.

Littlestown police, who are conducting an investigation into the accident, said Mrs. Weaver was struck when she was alongside her car, which was parked on W. King St.

Raymond Reed, Littlestown R. 1, told Littlestown police he did not see Mrs. Weaver until his car struck her.

Police said they did not know whether Mrs. Weaver was attempting to cross the street or was walking around her car preparatory to entering the driver's seat when she was struck.

Two Injured In Car Crash Friday

Eulas Gay Price, 18, Gettysburg R. 2, and a passenger in his car, Wayne S. Dick, 19, Gettysburg R. 2, both were injured Friday evening at 5 o'clock when their car left the Knox-Lyn-Ortanna Rd. and went down a 30-foot embankment.

State police said Price suffered a laceration of the left eye and Dick a laceration of the right eye. The officers took the two to the Warner Hospital here for treatment. Damage to the car was estimated at \$400.

GOOD CITIZEN "DAR AWARDS" FOR 6 SENIORS

The names of six Adams County high school senior girls who have been selected to receive the Good Citizen awards for this year were announced at the November meeting of the Gettysburg chapter of the Daughters of the American Revolution Friday.

The meeting was held in the Old Dorm at the seminary following a meeting of the chapter's executive board at 1 p.m.

The award winners are: Gettysburg, Demaree Deardorff, who has been a member of the local chapter of the Children of the DAR for some time; Biglerville, Carol Crum; Littlestown, Linda Knipple; Fairfield, Genevieve Ruth; Bermudian Springs, Barbara Jean Hull, and New Oxford, Jane Eloise Weikert.

GET AWARDS LATER

The report on the Good Citizen awards was given by Mrs. G. W. Lefever. She explained that to be chosen for the award recipients "must possess to an outstanding degree the qualities of dependability, service, leadership and patriotism. The selections are made by the senior class members of each participating school and by the high school faculties.

The Good Citizen awards will be presented to the six winners at a later meeting of the chapter.

Speakers for the afternoon were Allen S. Stauffer, public relations director for the Musselman Division of the Pet Milk Company, who told of his trip to Europe last summer on a "people to people" agriculture mission. They visited Russia and other European countries. Pictures Mr. Stauffer took on the trip were used to illustrate his talk. The group visited Moscow and a collective farm in Russia. They were also in East Germany and West Berlin where they saw the famous Berlin Wall.

DAR members brought Christmas gifts to the meeting to be used at DAR schools. Members wishing to send gifts should get in touch with Mrs. Paul Knox. Plans were discussed for a trip to Washington, D. C., next June 5 and for the George Washington birthday tea next February.

The next chapter meeting will be held January 3 but there will be a board meeting the first Friday in December at the Old Dorm.

Historical Society To Meet Tuesday

The Adams County Historical Society at its November meeting Tuesday evening at 7:30 o'clock in the Old Dorm at the seminary will hear a talk by its secretary and former president, J. Melchoir Sheads, a history teacher at the Gettysburg High School.

His subject will be "The Ventures of Lincoln's Gettysburg Address."

President Charles H. Glatfelter will preside at a business session that will precede the program.

One Body Unidentified In Indianapolis Blast

INDIANAPOLIS (AP)—Many people went in family groups to the Holiday on Ice Revue at the Indiana State Fairgrounds Coliseum Thursday night, and at least 18 families lost more than one member in the explosion that killed 64 persons.

One body remained unidentified today.

Four members of the Staten family died, and a fifth remained in critical condition in Marion County General Hospital.

Killed in the blast were Dr. Jesse E. Staten, 50, a General Motors Corp. plant physician in Indianapolis; his wife, Mary, 45; and his mother, Mrs. Lena Staten, 72, Greencastle, Ind. The couple's son, David, 14, died Friday night.

3 IN FAMILY DIED

Ten-year-old Barbara Staten was injured critically, and John Staten, 15, the couple's eldest child, also was injured.

Honor Former Grid Coach

Rev. William W. "Bill" Wood, football coach at Gettysburg College from 1919 through 1926, was presented a silver bowl Friday evening at a testimonial dinner tendered him. The affair was attended by a number of former players and managers. William Stevens (right), member of the college committee on athletics and a member of the board of trustees, made the presentation. Mrs. Wood is at the left. (Ziegler photo)

48TH ANNUAL AG MEETING ON THURSDAY

Dr. Paul M. Althouse, director of general education at Pennsylvania State University, will outline future demands on education in a talk on "Today Is Tomorrow" to be given Thursday evening at the 48th annual meeting of the Adams County Agricultural Extension Association at Rolling Acres Elementary School, Littlestown, Thursday evening at 7:25 o'clock.

County Agent Thomas E. Piper; Mrs. Helen D. Tunison, county extension home economist; and Dale Bair, president of the 4-H Senate, will outline at the meeting the work of the county extension association during the last year.

Greetings from Pennsylvania State University will be brought to the group by John Bergstrom, assistant to the director. Joseph Stoner, president of the executive committee of the county extension association, will preside at the meeting. A nominating committee comprised of Adam Lobaugh, Wade Brown and Mrs. Otis Livingston will present its report.

Six directors are to be elected during the meeting. The directors whose terms expire this year include John Schwartz, Littlestown R. 1; Howard Waybright, Gettysburg R. 1; Mrs. Paul Redcay, Seven Stars; Stuart Lucabough, Hanover R. 5; Francis Weikert, Gettysburg R. 2, and Mrs. Herbert Zepp, Gettysburg R. 4.

The Mason-Dixon Homemakers group will provide the refreshments. Entertainment will be provided by the Mt. Joy Agriculture 4-H Club led by Mrs. Howard Johnson and Mrs. Wilbur Waybright and by Miss Jane Rightmire of the Abbottstown 4-H among others.

ELKS HALLOWEEN PARTY

The Gettysburg Elks will hold their annual Halloween party to night with dancing starting at 10 o'clock. Judging of costumes will be at 10:30.

DIVORCE GRANTED

The Adams County court this morning granted Joan M. (Small) Lawrence, 609 North St., McSherrystown, a divorce from Burnell F. Lawrence, New Oxford R. 1.

No Christmas Lights Here Unless Money Comes Soon

The Retail Merchants Christmas decorations committee today put the question of whether the town will have community Christmas lights and decorations directly up to the public and added that the decision must be made quickly.

With only 26 days remaining until the Christmas lights should be up, if the custom of illuminating the decorations the day after Thanksgiving is to be followed, Ralph Will, chairman of the lighting committee, President Mares Sherman and Secretary-Treasurer Frank Hower met to study the list of contributions to the Christmas street lights fund.

They reported only a few donations so far and agreed that no lights will go up until the approximately \$2,000 needed is received.

NO MONEY—NO LIGHTS

If the residents of the community donate the money in time, the lights will be up by Thanksgiving. If the money does not come in until later, the lights will go up later. If sufficient money is not received, no lights will be placed.

Sherman said a list is being kept of the names of the contributors to permit the money to be re-

FINES ON BOOKS POSE PROBLEM FOR LIBRARY

The fine for overdue books may be increased soon at the Adams County Public Library.

The aim will not be primarily to get more money for the library but to offset the cost of trying to get borrowers to bring in overdue books and to discourage tardy books.

Mrs. Mary S. Wilson, librarian, told the library's board of directors Friday evening that the library sends nearly \$60 a month sending notices on overdue books. Last month the collection of fines netted \$70.50.

There is \$170.18 more in fines outstanding, ranging in amount from nine cents to about \$4. Some of the unreturned books cost the library as much as \$15.

SEEKS SUGGESTIONS

Mrs. Wilson asked the board for suggestions about how to improve the rate of return of books that have been kept out longer than the three-week loan period. The board turned the problem back to her and asked her to submit recommendations on the problem by next month.

One suggestion was that the fine for an overdue book be increased from three to five cents per day. Refusal to lend other books to persons with overdue books was another suggestion.

Proposals ranged through a wide variety of methods including turning the matter over to a lawyer. Mrs. Wilson said that libraries in big cities sometimes jail delinquent borrowers who fail to return books.

When a book is overdue one week, a notice is sent to the borrower. If it fails to return, two more weekly notices are sent and then a letter advising the borrower of a fine law that provides a \$25 fine for failing to return a borrowed book. Postal rate increases have made this practice more and more costly, Mrs. Wilson said. She added that it takes one staff member nearly a full

COACH WOOD HONORED AT DINNER HERE

Rev. William W. "Bill" Wood, former football coach at Gettysburg College, was honored at a testimonial dinner by alumni and friends Friday evening in the college dining hall.

Many of the players on Wood-coached teams from 1919 to 1926 were present among the 104 persons attending the dinner. Letters and telegrams of felicitations came from other players unable to attend.

Athletic Director Henry T. Bream, former player and successor to Wood as football coach, presided and introduced guests at the head table and the following players and managers on Wood-coached teams:

Alan Fischer, Bud Mehaffie, Wib Weikert, Junie Bream, Charlie Spangler, George Coughlin, Lew Kost, Charlie Hall, Haps Morand, Russell Tuckey, "Shorty" Stauffer, Jim Richards, Lester Geringer, Earl Ziegler, Earl Allen, Frank Slaughter, Russell Doran, Leon Phillips, Jack Kyle, Victor Emanuel, Bill Stevens, David Gilbert. Also recognized were trainer Romeo Capozzi and John Meyers who developed the "hidden ball play" used by Coach Wood to win an important football game.

PRESENTED GIFT

In presenting a silver bowl to the honored guest, William H. B. Stevens, college trustee, said, "This is one of the proudest moments of my life and I'm happy to present this token of our esteem which bears this inscription: 'To Bill Wood in recognition of his service to Gettysburg College in the field of athletics and his respected influence on the moral character of the entire student body.'"

In accepting the gift Wood expressed his deep gratitude and thanks to all who were responsible for this occasion. "This is a time not to look back but to anticipate the future in all that it holds. What is in my heart is in yours—Gettysburg College—we shall be every indebted to her. We love our college and it deeply stirs us to pay homage to our Gettysburg. It's only right we give honor to these boys who have come a long way for this occasion."

Wood then assembled all of his former players to one side of the dining room and formed teams with players in their old positions to demonstrate a few plays that were used effectively in those days. The "hidden ball play" contributed by John Meyers, Wood declared won the Dickinson game in a year when Dickinson had a great team.

PRESIDENT SPEAKS

"It is a distinct pleasure to greet all who have returned for this particular occasion," President C. A. Hanson said in extending a welcome for the college. He paid tribute to those honored on such an occasion "who have made and lived legends from which greater influence has resulted."

Coach Eugene Haas briefly gave a resume of the current season and the Saturday game with Lafayette. He likewise paid tribute to Coach Wood and his

Sends Greetings To GOP Dinner

General Dwight D. Eisenhower, who last year sparked the Republican party to state victory, was unable to attend Thursday's Republican fundraising dinner because of a previous commitment.

However, he sent a telegram to vice chairman Charles W. Wolf, who read the message to the 800 Republicans assembled in the dining hall of Gettysburg College for the dinner. It read as follows:

"I regret that I cannot be present tonight to personally greet my friends and neighbors. Nonetheless, I want to extend best wishes for success to the Adams County Republican party in the forthcoming election. This also brings greetings to all those attending this fund-raising dinner, and particularly to your distinguished guest and leader, Governor Scranton."

NAME PHYSICS BUILDING FOR FRED MASTERS

The new physics building at Gettysburg College this morning was officially named the "Fred G. Masters Hall" at a brief ceremony on campus. Mr. Masters recently bequeathed \$200,000 to his alma mater.

Dr. C. A. Hanson, college president, presided at the exercises and the college band furnished the music. The invocation was given by Dr. Abdel Ross Wentz, a former president of the Lutheran Seminary. He is a 1904 graduate of the college.

Dr. Bruce U. Coughlin, Pittsburgh, class of '05, delivered the memorial address in which he said:

HONOR GRADUATE

"Fred Garman Masters was born at Somerset, Pa., March 7, 1880, the only child of Dr. George B. and Amanda Garman Masters. Soon thereafter, Dr. Masters established his medical practice in Rockwood, Pa., where Fred grew to maturity and was graduated from high school with honors. The next two years were spent in teaching in the nearby country schools.

"He then attended Gettysburg Academy for one year and enrolled in Gettysburg College with the class of 1904, graduating second in his class. Fred sang in the college glee club for four years and was manager the last two. He took an active part in student literary activities and in his Junior year was elected to Pen and Sword. A member of Sigma Alpha Epsilon, he later served on the alumni board of directors of the corporation. He was initiated into Phi Beta Kappa when the chapter established at Gettysburg. The requirement for his M.A. degree from Columbia University were filled by attendance at summer sessions.

TAUGHT SCHOOL

"On graduation, Fred taught in a preparatory school in Tennessee for one year and then went to Meyersdale, Pa., where he taught science and mathematics in the local high school. His next move was to the principalship in the Conneville, Pa., High School which he left to go to Pittsburgh in 1909. Here he was assigned one year to the Central Ave. High School faculty as teacher of chemistry, and for the next 35 years he was a member of the "fifth Ave. High School faculty, as teacher of chemistry. In 1933 he was promoted to the vice principal of the school and retired from active

ABOUT 60 PCT. OF VOTERS ARE EXPECTED TO CAST BALLOTS

Ballots were distributed to most of the county's election officials today by the county commissioners in anticipation of the election Tuesday.

If all of the county's voters go to the polls, 22,353 will cast their ballots, but election observers doubt if more than 60 per cent of the voters will go to the polls. The records show there are 12,143 Republicans, 10,403 Democrats and 307 nonpartisan voters registered for the forthcoming election.

Hours for the election are 7 a.m. to 8 p.m.

AMENDMENTS SLOW COUNT

Close races may not be decided until November 15 when 241 military, veteran and absentee ballots will be counted. A total of 167 absentee ballots have been mailed to potential voters plus 74 military ballots. Of the 167 absentee votes, 139 went to Republicans, 24 to Democrats and four to nonpartisan voters.

Tabulation of the votes Tuesday night by the election boards is expected to take a little longer than usual because of the presence of a referendum vote and votes for three amendments to the constitution all of which will have to be tabulated separately from the candidates' votes.

The voters will be asked to indicate in the referendum whether they favor a constitutional convention. They will vote on whether the present constitution should be amended to permit loans to deserving college students. Give power to set up emergency seats of government in case of enemy attack and permit Project 70, a plan to borrow \$70,000,000 to buy land.

COMMISSIONER RACE WARM

With the only state-wide offices to be filled being two judges of the Superior Court, most of the interest in the current campaign has been local, with the county commissioner election apparently providing the most interest.

The county will elect three commissioners. Under the law each voter may vote for two of the four candidates. There are two Republican candidates, G. Edwin Motter and E. Donald Scott, and two Democratic candidates, Atlee F. Robert and Harrison G. Fair. The three obtaining the highest number of votes are elected, thus guaranteeing that one of the commissioners will be of the opposite political party from the other two. Only one of the four, E. Donald Scott, has prior experience as a commissioner. He currently is serving as president of the board.

Scott, 58, a resident of Baltimore St., is a farmer owner and manager and a former farm implement dealer; Motter, 51, is a Gardner's Store owner and fruit grower; Robert, 42, of Littlestown R. 2, is in the sales and construction

350 REGISTER FOR 4-H CLUB ANNUAL DINNER

Three hundred and fifty have registered for the annual Adams County 4-H Achievement banquet to be held this evening at 6:30 o'clock in the Biglerville High School cafeteria.

The number is reported as the exact number that can be served in the cafeteria at one time and thus reservations were cut off at that point.

Following the dinner the group will adjourn to the auditorium at the high school where Dale Bair, president of the county 4-H Senate, will preside at the program honoring the achievements of the 4-H members and leaders.

TO GIVE AWARDS

Pins will be presented to those completing their first year of 4-H work and those who have completed 10 years of 4-H activities. Leaders will be given pins for five and 10 years of service and all leaders will receive certificates of achievement.

Special agricultural awards are also to be presented at the session and the national awards winners from the county will be presented with their medals.

The planning committee for the achievement banquet consisted of the Upper Adams Community Agricultural Club led by Miss Helen Rex. The decorations are being arranged by the Littlestown Home Economics Club led by Mrs. Aaron Rohrbach, Mrs. Emory Gitt and Mrs. Wade Brown. The hospitality committee will be comprised of the Conewago Home Economics Club led by Mrs. Melvin Nace.

We are starting our Dutch buffet Thursday, November 7, Dutch Cupboard, Baltimore St., Gettysburg.

PROGRESS ON LIBRARY WORK; HAVE \$74,000

Progress on the new construction and remodeling at the Adams County Public Library was reported to members of the library board at their November meeting Friday evening and other reports showed the building fund has mounted to about \$74,000 in cash and pledges.

Architects' representatives told the directors that the roof is on the new section of the library, most floor slabs have been poured and colors for the interior of the new section have been chosen. The work of linking the new building with the old has begun but library service continues despite the dust and inconvenience.

A neat sign above the charging desk at the library notifies library customers: "The inconvenience is temporary but the improvements are permanent."

\$1,000 GIFT

The board discussed possible changes in the building plans and most were referred to the building committee for study.

CRASH VICTIM IS IMPROVING

Noel Calvin Taylor, 23, Downingtown, was reported in a satisfactory condition Friday night at Baltimore's John Hopkins Hospital, where he was admitted August 27.

Taylor, whose wife, Mrs. Sharon L. S. Taylor, was killed in an August 11 two-car accident at Cross Keys intersection and Carlisle-Hanover Rd., was transferred to the Baltimore hospital from the Hanover Hospital. He suffered a compound fracture of the left leg and multiple body and internal injuries.

Dr. C. G. Crist, Adams County coroner, reaffirmed that an inquest into Mrs. Taylor's death would be scheduled when Taylor is out of the hospital and able to appear for testimony.

Taylor was driving a car which was involved in a collision with another driven by Lorna Lee Booker, 35, Baltimore, according to state police.

Justice of the Peace Robert Snyder has said that the Baltimore driver is free on \$1,000 bail on a charge of involuntary manslaughter.

Two Local MECO Employees Honored

Service pins were presented to 112 employees of the western division of the Metropolitan Edison Co. who have served the company 25 or more years at a dinner meeting Friday evening in the Tremont Restaurant, York. Those attending from the Gettysburg office were Miss L. Myrie Stauffer, a Metropolitan Edison Co. employee for 37 years, and Maurice S. Stoops, an employee of the company for 36 years.

Norman R. Wolf, president of the 25-year club, presided. W. R. Snyder, president of Metropolitan Edison, gave the service pins to the group and specially honored Charles E. Eckert, 47 years of service; Edward C. Zinn, 46 years; Harry A. Starnier, 46 years, and Ruth V. Angel who retired in 1962 with 46 years of service.

Officers of the 25-year club for 1964 included James R. Staley, president; Carl E. Stauffer, vice president; Preston H. Danner, secretary, and Robert N. Hoover, treasurer.

Hanson Memorial To Be Dedicated

A memorial in honor of the late Rev. Dr. and Mrs. Henry W. A. Hanson will be dedicated in All Saints' services at Messiah Lutheran Church, Sixth and Foster Sts., Harrisburg, Sunday at 11 a.m.

The painting over the choir loft, "The Last Look on Cavalry," has been refurbished in honor of Dr. and Mrs. Hanson. A copy of the picture had hung in Dr. Hanson's study for many years when a Peruvian visitor, Cassio de La Poma, grateful for pastoral services, offered to reproduce it in the nave of the church. The painting was unveiled in 1921 during Dr. Hanson's pastorate. A bronze memorial plaque has been placed beneath the painting.

Robert D. Hanson, a son of Dr. and Mrs. Henry W. A. Hanson who is a teacher in the Men's Bible Class and a former president of Messiah's Council, will read the lessons. The pastor, the Rev. R. Ray Evelan, will preach on the theme, "Angels in the Gallery." A coffee hour and tea will be held in the social hall following the service.

Robert L. Twenty, 20, Frederick R. 7, paid a fine of \$10 and costs this morning on a charge of failing yield the right of way.

The charge was brought by borough police before Justice of the Peace Robert L. Snyder after Twenty's car collided with a truck operated by James F. Riley, 44, Littlestown R. 2, and owned by Donald Klunk, Hanover R. 4, in Lincoln Square at 8:30 o'clock this morning. Damage was estimated at \$50 to the car and \$25 to the truck.

TO ELECT NEW DA

The new board of commissioners will benefit financially from the recent advance of Adams County from a seventh to sixth-class county. The present commissioners receive \$4,200 a year. The new commissioners will receive \$7,000. Voters will chose between Attorney Gerald R. Walmer and Attorney Ronald J. Hagarman for district attorney. Whichever wins the county will have a new district attorney in January. The incumbent, Attorney Daniel E. Teeter, is not a candidate for re-election.

Incumbents are seeking re-election for the other offices. Herbert W. Miller, the prothonotary, is the Democratic candidate for that office. His opponent is Republican George F. Weaver. Carl S. Menchey, Republican, is seeking to be renamed register and recorder. George W. Taughinbaugh is the Democratic candidate.

OTHER CONTESTS

Ruth A. Frey and Eleanor M. Linebaugh, Republicans and Armar M. Weikert, Democrat, are the incumbent county auditors, all seeking re-election. Anne Marie Cole, Democratic, is the non-incumbent candidate. The county auditors are elected in the same way as the commissioners. There are four candidates, two Republican and two Democratic. The voters cast ballots for two. The three getting the highest number of votes are the auditors, thus guaranteeing representation by both parties.

LeRoy H. Winebrenner, Republican, is the incumbent county surveyor. He is opposed by Harry Knox, Democratic.

Incumbent Dr. C. G. Grist is seeking re-election as coroner. A Republican, he is opposed by Robert E. Miller, as the Democratic candidate.

The voters will also be casting ballots for various local officials including township and borough auditors, school directors, councilmen, supervisors, constables and justices of the peace.

The candidates for the two judge of the Superior Court positions are J. Colvin Wright and Harold L. Ervin, Republicans, and J. Sydney Hoffman and Paul W. Mahady, Democrats.

PROGRESS ON

(Continued From Page 1)

C. P. Keefer, member of the board who has been placed in charge of the completion of the capital funds drive, listed a \$1,000 gift from Mrs. Eva Pape, Gettysburg, among other recent donations that have pushed the building fund to about \$74,000. He said service clubs throughout the county are being asked for donations before the fund drive is closed formally.

Mrs. Richard Schubart, board member, reported that she and Mr. Keefer are attending a series of workshops for library trustees at Harrisburg.

Directors discussed and listed for a future decision a possible change in meeting night when the board was left without a quorum after two board members left at about 8:45 p.m. Directors hope to find a night more convenient to more board members than the first Friday of each month.

11,309 LOANS IN MONTH

Mrs. Mary S. Wilson, librarian, reported gifts of books as memorials to John C. Bream and Roy E. Zinn. Her report as librarian showed 11,309 loans in the last month with most of them made through the two bookmobiles. Main library loans totaled 4,449 while the school bookmobile reported 3,951 loans and the community service bookmobile 2,909. The monthly financial report showed the library received \$5,500 from the state last month.

Vice President Don Becker presided during the early part of the meeting and then the secretary, Mrs. Schubart, took the chair when Mr. Becker left for another meeting. President H. Thomas Pyle did not attend.

Sons Of Vets Give Centennial Souvenir

Gettysburg Camp 112, Sons of Union Veterans, Friday evening entertained the committee in charge of the "Battlefield Hospital Float" which represented the SUV in the observance of the 100th anniversary of Early's raid June 27.

Col. O. G. MacPherson, head of the Sons of Veterans Reserves, presented souvenir medallions of Early's Raid to the float participants and those who assisted in building the float. He also presented pictures of the float to the committee members and drivers of the float. Dr. Joseph H. Riley, commander of Camp 112, thanked those who aided in the floats over the years, and gave special thanks to McDermitt's, Inc., and Leo McDermitt for assistance in loaning tractors and trailers for the float entries each year, and to the National Museum staff for assistance over the years in equipping the floats.

Refreshments were served after the presentations.

FINES ON BOOKS

(Continued From Page 1)
day each week to check on and prepare notices on the overdue books.

MOSTLY ADULTS

Last week 45 first notices and four final letters were sent. Mrs. Wilson estimated the library spends \$700 a year in efforts to get overdue books back to the library shelves. That's the most important purpose of the notices, she noted. Fines never amount to more than the value of the book, she added.

The delinquent borrowers include fewer juveniles than adults and there are fewer delinquents among the loans made through the bookmobiles than through the main library, she said. Books from the bookmobile are loaned for a two-week period and there is a flat 10-cent fine for each two-week period the book is overdue.

Mrs. Wilson admitted that the growing number of overdue books may be largely a result of the rapidly mounting total library circulation and may not involve any new laxness on the part of most borrowers.

BANKS BOOTS PAT TO GRID SCORING MARK

By DAVE LEHERR
Associated Press Staff Writer

Halfback Charlie Banks of Meyersdale is Pennsylvania's new all-time scholastic scoring champ today—thanks to the slim margin of an extra point.

Banks closed out a sparkling high school career Friday night against Jenner-Boswell with 19 points to bring his four-year total to 476—just one more than the old mark set by Park Baker of Conemaugh Twp. between 1952 and 1956.

Banks scored on a dazzling 72-yard runback of a pass interception and two six yard plunges, but it was his two-yard sprint for the conversion after his third TD that made the difference.

COLSTON SECOND

The 175-pound speedster also brought his season output to 155 points. Harvey Colston of Middletown, idle this weekend, is second in the mythical race with 131 points and one more game to go.

Meyersdale beat Jenner-Boswell 32-7.

Meanwhile, Pittsburgh North Catholic won the Steel City's Catholic AA championship, edging Central Catholic 2-0 on a blocked punt that turned into a safety.

With two minutes, 30 seconds left, Central's Bill Laughlin dropped back to punt at his five-yard line. North's Bob Colbert broke through to block the kick and the ball rolled out of the end zone for an automatic safety.

WIN STREAK OF 34

Another Catholic school, Johnstown Bishop McCort stretched its streak of unbeaten games to 34 with a 29-7 trimming of Ferndale-Dale.

Sunbury remained undefeated in the East Penn Conference, demolishing arch-rival Shamokin on the first play from scrimmage with a 92-yard touchdown run by Terry Shipman, then going on to win 41-13. The Owls, who are making a strong bid for the southern division championship, used their second string all during the second half.

Referee Andrew Gulick of Hanover dropped dead of an apparent heart attack between halves of the Kingston-Wilkes-Barre game at Wilkes-Barre. Gulick was widely known in the area both as football and basketball official. Kingston won the game 26-7 to strengthen its hold on first place in the Wyoming Valley Conference.

Wilkes-Barre G.A.R.'s hopes in the same conference were dashed by a 39-0 shutout to plans.

Butler and Washington continued their torrid battle for the WPIAL-Class AA championship—Butler downing New Castle 27-6, and the Little Prexies upending Baldwin 26-13.

The twin victories could set the stage for a playoff if West Mifflin North, the only other Class AA survivor, is beaten by McKeesport today.

SCORES THREE TDs

Punxsutawney emerged the heavy favorite in the West Penn Conference, blanking Curwensville 20-0, while its main rival, Chief Logan was bowing to Huntingdon 10-7.

Another high scoring back, John Milovich of Girard, brought his season total to 119 points with three touchdowns in a 26-6 victory over North-western.

Dunmore, Blakely and Tunkhannock came through with easy victories to keep their hopes alive in the northern division of the East Penn Conference.

Minersville continued pressing Sunbury in the southern division with a 33-0 triumph over Ashland. And Danville, dumped last week from the ranks of the unbeaten after a string of 17 straight victories, had to settle for a scoreless tie with Berwick.

The Chicago White Sox won seven of nine games in Cleveland last season.

school work in 1945.

"Following retirement, Fred lived with his widowed mother in Berlin, Pa., until her death some years ago at the age of 96. For some years, he was a member of the board of directors of the First National Bank in Berlin.

He was elected bank president soon after his retirement from teaching. He took an active part in the community activities of his home town where he was a member of the Trinity Lutheran Church. A member of King Solomon's Lodge F and AM, he was awarded his 50-year emblem in 1958. He was a member of the Berlin Lions Club, and for many years served as secretary of the Odd Fellows Century Association until his death on January 22, 1963.

HAD PUPILS' RESPECT

"His 43 years' work as a schoolman have left an abiding influence on many lives. He had the respect of his pupils, the citizens of the district, colleagues and administrative superiors. One of the highlights of his life was his devotion to the interest of Gettysburg College. He never missed a class reunion and the close of the college year saw him on the campus for the activities. There, too, he was faithful in his response to the financial needs of the college.

"Prominent educator, Christian gentleman and just plain citizen, Fred's life is his best epitaph."

John A. Apple, Sunbury, class of '19, chairman of the board of trustees, conferred the honor, naming the building for Mr. Masters.

An appropriate plaque was unveiled by Dr. M. Roy Hamsher, Gettysburg, class of '04; Dr. Richard Mara, class of '48, chairman of the physics department, gave the response and the benediction was pronounced by Dr. Norman S. Wolf, class of '04.

Biggs Warns About Convention Question

"If the Constitutional convention referendum is passed on November 5, Pennsylvania highway users will face losing some of their gasoline tax money now used for building and maintaining highways," stated G. A. Biggs, president, Pennsylvania Farmers' Association, today in Camp Hill.

"Proponents of the convention to rewrite the state constitution," said Biggs, "would change the present constitution to permit the using of highway funds for other purposes. Such action would seriously curtail Pennsylvania's road building program."

This matter is so serious, said Biggs, that State Highways Secretary Henry D. Harrah, a convention supporter, has warned against changing the present constitutional provisions which earmark all motor license revenues exclusively for highway purposes. "Pennsylvania depends upon its transportation system for its economic progress," said Secretary Harrah recently.

Biggs urged all highway users to vote "No" on the constitutional convention question to insure an adequate highway program for Pennsylvania.

Cease-fire Pact Violated By Algerians Early Today

By MICHAEL GOLDSMITH
Associated Press Staff Writer

ALGIERS (AP)—A heavy Algerian artillery barrage erupted along the tense Algerian-Moroccan border at dawn today, several hours after a mid-night cease-fire.

Mortar and cannon shells landed in the Figuig oasis on the Moroccan side of the border, and heavy machine-gun fire shattered the early morning quiet.

A Moroccan officer in the besieged oasis said he ordered his men to fire back.

EVICTED ALGERIAN

"My men observed the cease-fire until attacked," said Col. Mohammed Hadda. He said his men evicted the Algerians from the oasis Friday.

The cease-fire, negotiated at a four-nation conference in Bamako, Mali, earlier this week, went into effect officially at midnight Friday.

Both King Hassan II of Morocco and President Ahmed Ben Bella of Algeria promised to observe the truce and allow a commission set up at the Bamako conference to supervise their Sahara border dispute.

Moroccan and Algerian troops remained dispersed along a 550-mile belt of the disputed area from Tindouf, an ore-rich town in the southwest, to Figuig, 215 miles south of the Mediterranean.

CHARGE VIOLATIONS

Hours before the midnight deadline, each side accused the other of violating the peaceful spirit of the Bamako conference.

Hassan charged Algeria with attacking Figuig, in the southwest corner of Morocco in a panhandle pointing into Algeria.

Ben Bella charged Morocco with attacking women and children with artillery and planes in the Algerian village of Beni Ounif, two miles from Figuig.

The Bamako accord calls for a commission of officers from Algeria, Morocco, Ethiopia and Mali to define the disputed zone from which troops, in theory, would be withdrawn. Ethiopian and Malian troops will police the neutrality of the one until final settlement.

The next step would be for the 32-nation organization of African Union to call a meeting of foreign ministers which would appoint a committee to fix the blame for aggression and study the frontier problem and propose solutions.

Pres. Diem

(Continued From Page 1)

Buddhist crisis.

U. S. NOT INVOLVED

A State Department spokesman said the United States was in no way involved in Diem's ouster. Military officials, however, said they believe the revolutionary committee of generals has the popular support for an intensified war effort against the Communist Viet Cong guerrillas.

At the height of the battle, little news of the revolt filtered from the city.

The coup began at noon Friday, with an attack on the presidential palace, a stucco building in downtown Saigon. The rebels encountered stiff resistance from Diem's loyal palace guards and his crack 2,000-man detachment of special forces.

TIME LIMITED

As the battle grew more fierce, it became apparent Diem's time was limited.

The rebels halted the attack for three hours, during which they offered Diem and his brother a pledge of safe conduct if they surrendered. They refused, and again the insurgents opened their attack.

As night fell, rebel mortars fired point blank at army headquarters where Diem's palace guard was holed up. By midnight the center was reduced to rubble and tanks rolled in.

By 4 a.m. Saturday, 16 tanks moved in on the presidential palace. For 2½ hours, they fired at the palace.

It was clear Diem, Nhu and their few remaining soldiers could not survive the merciless pounding much longer. At 6:37 a.m., a white flag fluttered over the palace.

BOTH SURRENDER

Diem and Nhu had surrendered unconditionally.

The death toll from the day and night of fighting was feared high, although no figures were available immediately.

U.S. officials said no Americans lives were lost. U.S. Ambassador Henry Cabot Lodge, who was scheduled to return to Washington for consultations today or Sunday, ordered all Americans to take shelter.

A rocket fired from a plane at the presidential palace rammed into a house occupied by U.S. Marines. There was no report of any casualties.

MRS. NHU ANGRY

In Los Angeles, Mrs. Ngo Dinh Nhu, South Viet Nam's former First Lady, remained in seclusion at a hotel Friday, she angrily said the uprising could not have occurred "without American incitement or American backing."

AN OPEN LETTER TO THE CITIZENS OF ADAMS COUNTY CONCERNING VETERANS and VOTERS

Thousands of you have received letters from the Allied Veterans Council of Adams County, over no signature, protesting the actions of the present board of County Commissioners.

The letter suggested that veterans throughout the county subscribe to the sentiments stated in said letter. Survey shows that none of the veterans organizations in the county at anytime authorized the material in the Allied Veterans Council letter.

The letter protests the treatment of veterans during the past years. Since at no time did any veteran or veterans organization suggest to the County Commissioners that the office was at fault, it was believed that the past director was capable. With the retirement of the past director after seventeen years of service and the appointment of a temporary director, the Allied Council became active suggesting that our appointment should have been discussed with them. With this turn of events, your commissioners agreed that if the Allied Council decided upon a man within thirty days we would carry out their wishes and appoint him if capable.

The Allied Council said they would not do this. So, knowing the importance of a veterans' administrator in Adams County and having more than fifty favorable communications concerning the qualifications of Mr. Ira Bollman, your County Commissioners appointed him with an active office in the topper Building adjacent to the courthouse.

We do hope the above facts will clear up much misunderstanding and misstatement.

Signed: Adams County Commissioners

Dedicate Heating Plant On Sunday: A special service for the dedication of the new heating system in St. John Evangelical and Reformed Church and parish hall at New Chester will be conducted Sunday morning at 9:15 o'clock with Rev. Alton M. Leister, pastor, officiating. The new heating plant is an automatic oil-fired hot-water system capable of heating both buildings at one time or each building separately. It was sponsored by the Willing Workers Church School Class with the assistance of members and friends of the church. Mrs. Bessie Tate, Hunterstown is secretary of the Heating Fund.

National Garage Discontinues Storage Here After 42 Years: When Sir Isaac Newton coined the phrase — "What goes up of necessity must come down," he was not referring to an ancient sign over the entrance to the National Garage in Gettysburg.

With a magnificent disregard for Newton's physical law, the sign, which reads — "Storage, Never Closed" — has been suspended over the 12 Chambersburg St. garage ever since 1911. But by the end of the month the sign will "come down" after 42 years during which the garage has been in constant operation night-and-day. Sale of the National Garage building was made public by its owner, David C. Forney, several months ago when it was also announced that following demolition work a new W. T. Grant store would be erected on its site.

Forney will occupy the building until the end of the month. November 1, the suburban-type National Garage will open on Lincoln Highway East opposite the transformer station of the Metropolitan Edison Co.

The late David J. Forney, father of the present owner, founded the business and built the first garage at the rear of the former Spangler Restaurant, Chambersburg St. In 1918 it was moved to the Chambersburg St. site. The old sign was trundled right along to the new place of business then. For purely sentimental reasons, Forney may once again, in 1953, nail the sign above the entrance to his new garage.

Water Low At Emmitsburg: Emmitsburg's water supply has dwindled so rapidly in the last several weeks that the Emmitsburg Water Co. has deemed it advisable to issue restrictions as a means of conserving what volume it has in reserve.

President Samuel C. Hays of the water utility announced this week that the prolonged drought has cut reserves in half and at the present time there is an estimated 14,000,000 gallons of water on hand. Normal capacity of the water system is 28,000,000 gallons. It is pointed out that had the company not had the foresight to construct Rainbow Lake for reserves, the town now would be without water.

Mr. Hays disclosed that for some time now, two pumps have been augmenting the supply but it is not ample to keep reserves in sufficient quantities unless restrictions are invoked. He said that he believed that with the complete cooperation of the water company patrons conservation measures would provide ample water for the welfare and health of the community and also for fire protection.

THE USES OF IMAGINATION

Without imagination the world would still be in a savage, that has contributed to civilization — and unfortunately to much of its destruction — can be traced to the imagination. You can look in any direction you wish and you will look upon the product of some man's imagination. Of the imagination has developed things too fast, as in the case of weapons of war. But much of the imagination of men's minds has been devoted to useful ends.

We owe it to this imagination that the work of both man and beast has been tremendously eased, so that the mind itself might travel to greater heights and have time in which to think — and also that men's bodies might be better preserved.

One of the greatest uses of the imagination, however, is that it takes a man out of the confined limits of himself. He becomes an instrument from which flow ideas and enterprises. Any physician will tell you that most of our so-called physical ills are mere creations of the imagination. By forgetting self we soar, we create, we build — and every part of our being is stimulated and blessed.

Another use of the imagination is to carry our youth, our memories, and our experiences along with us from day to day. Art, science, literature, each owes to the imagination the heights to which each has been built.

Children's minds are plastic and impressionable. Their imagination should be encouraged, no matter how impossible its path. Time and a maturity smooth out all the errors and extravagancies of such an imagination.

So long as you have a happy and healthy imagination you need have no fear of growing stale in mind. But keep your imagination active. Never allow it to go to sleep!

GARDEN EXPERIENCE

Dazed and cold the garden seems. Ended all the springtime dreams; Closed and finished every plan Which the planting time began. Still the aging trees appear Richer by another year.

Here among the blossoms grown Now and then was failure known. There were foolish hopes and wise, Which we could not realize, Garden goals for which we tried. Were at last to us denied.

There were triumphs, old and new, Many a splendid bloom we grew. Certain things, the truth to tell, Through the weeks we managed well. But, and why we can't explain, There were splendors sought in vain.

So our lives are more or less Blent with failure and success. Strength and weakness, loss and gain, Hopes achieved or held in vain. But our inner selves appear Richer by another year.

pany has purchased 25 acres from Mr. and Mrs. Charles Prout, Gettysburg R. 2, and will begin work "immediately" for the construction of the new plant.

He added that a decision to purchase the Prout property came because the company could no longer wait for the possible construction of a water system in Fairfield, which has been under consideration for some time.

The choice of the Prout property was made because the 10-inch water main of the Gettysburg Municipal Authority crosses the property, in effect putting the new plant atop the main line of the water company. An eight-inch water main also parallels the Fairfield Rd. at that site "thus giving us all the water we will need for a sprinkler system, etc.," Mr. Roedel said. "We were further interested because the site is not too far from Fairfield," he added. "We hope that all of our present employees will move with us to the new plant, and we expect to add additional employees from the Gettysburg area."

The new concrete block structure with brick facing will provide about 43,000 square feet of floor space. It will be 240 feet long and 180 feet wide.

The company had employed up to 500 people at its Fairfield plant which was recently destroyed by fire. It expects that when it gets into full production it will employ that number, or possibly a few more, at the proposed Gettysburg site.

RED CHINESE

SAY THEY SHOT DOWN U2 PLANE

TOKYO (AP) — Communist China said Friday the Chinese air force shot down a U.S.-made U2 high-altitude reconnaissance plane that intruded over the Hua Tung near Shanghai.

Peking Radio, in a broadcast monitored in Tokyo, said the plane belonged to the Nationalist Chinese and added that the U2 was on a "harassing mission."

It gave no other details.

The Communists claimed in September 1962 they shot down a Nationalist Chinese U2 plane over East China. The United States later acknowledged that it had shot two U2 planes to the Nationalists.

NOT U.S. AFFAIR

The U.S. government then took the position that operation of the high-flying reconnaissance aircraft was strictly a Nationalist Chinese affair.

Last December, North Korea charged an American U2 had flown over its territory.

The Communists made a big propaganda issue of the U2 after Francis Gary Powers' American U2 crashed deep inside the Soviet Union May 1, 1960. The United States said it suspended U2 flights over Soviet territory after the Powers incident.

COUNCIL IS AT HALFWAY MARK OF 2ND SESSION

By BENNET M. BOLTON

VATICAN CITY (AP) — The Vatican Ecumenical Council arrived at the halfway mark of its second session Friday after the most decisive week of the year-old assembly.

In swift actions within the space of only three days, the 2,200 patriarchs, cardinals, archbishops and other prelates: Showed in a test vote that more than 96 per cent favor a concept of all bishops sharing with the Pope in authority over the entire Church;

Decided that theology on the Virgin Mary belongs more properly within a document on the Church's nature rather than standing apart as a separate Marian document;

CHANGES WORSHIP

Virtually completed action on a seven-chapter document that will bring vast changes in all of Roman Catholic worship, from the Mass and the sacraments to sacred music and art forms.

No one was pretending that the council is all down-hill coasting from here on out. Many bishops still were dissatisfied with the pace of council deliberations and anxious to increase efficiency without curtailing free expression in the council debate in St. Peter's Basilica.

Julius Cardinal Doepfner of Munich, who presided at Thursday's session warned: "We certainly must move faster." Liturgical experts said there is a good chance that a few amendments still to be voted in the public worship schema

War Trial Lawyer

Killed By Train

PAOLI, Pa. (AP) — A Philadelphia lawyer who defended Premier Hideki Tojo of Japan before the International War Crimes tribunal after World War II died Friday in Bryn Mawr Hospital seven hours after being struck by a train.

The victim, George F. Blewett, 64, of Philadelphia, suffered a fractured hip fractured ribs, chest and internal injuries.

Robert A. Faggioli, a Pennsylvania railroad conductor said he was standing on the platform waiting for his Paoli local to come in from the yards. When a train from Pittsburgh pulled out, Faggioli said, he heard a thump and a moan, and saw Blewett lying between the station's eastbound platform and the tracks.

GAVIN'S SEAT

TO BE FILLED

OIL CITY, Pa. (AP) — The Congressional seat left vacant by the death of Republican Leon H. Gavin will be filled by one of two veteran political campaigners in next Tuesday's election.

They are Republican Albert W. Johnson, 57, of Smethport and Democrat William T. Hagerty, 65, of Clearfield.

Johnson, 57, majority leader in the state House of Representatives, has served in the General Assembly since 1946.

He was selected as the GOP candidate to run for the 23rd Congressional District seat by party representatives from the eight northwestern counties in the district. If he is elected, the state again will have 14 Republicans in Congress. There are 13 Democrats.

Hagerty, 65, was Clearfield County prothonotary from 1949 until 1961. He has never held a post above the county level.

ED BERGEN AND

"CHARLIE" ARE

40 YEARS OLD

By BOB THOMAS

AP Movie-Television Writer

HOLLYWOOD (AP) — The world's most famous blockhead, Mr. Charles McCarthy, is celebrating his 40th year in show business, and he's just as sassy as when he started.

Charlie and his boss, Edgar Bergen, can be seen this evening on the Joey Bishop Show. Despite their longevity, they seem little changed. Edgar is just as reticent and conciliatory and Charlie is still Charlie.

Bergen was reminiscing about his long partnership with the dummy. It started back in 1922, when Edgar was in high school in Chicago. He made a sketch in his history book of a newsboy who sold papers in front of the school. A wood carver fashioned the head for the budding ventriloquist.

"Charlie has had four bodies, but the head has always remained the same — with a few coats of paint added," Bergen said. "I have tried to have him recarved, but no one could capture the same features. Only recently have I been able to make copies by using plastic molds."

Bergen and McCarthy played some amateur dates around town, but their first step into show business came when they toured the Chautauque circuit in the summer of 1932. Edgar remembers playing to a tribe of Indians in South Dakota — "and if you've ever tried to make an Indian laugh, you know what we were up against."

EARLY ON TV

He attended Northwestern University, then launched into vaudeville for a 10-year stand. Then came Charlie's golden years in radio, when he reigned as the No. 1 attraction. Memories of his exchange of insults with W.C. Fields still warm the hearts of comedy fans.

Bergen was one of the first radio stars to tinker with televi-

GOP MAKES BID

IN ALLEGHENY

PITTSBURGH (AP) — Republicans make another bid next Tuesday to regain the majority on the Allegheny County Commission, something they haven't held since 1931.

Incumbent Republican John M. Walker hopes to maintain his seat while his running mate, Blair M. Gunther, will try and join him.

The Democratic incumbents are Dr. William D. McClelland and John M. McGrady.

Gunther is a well-known political figure in the county and the state. He was a State Superior Court Judge after serving on the bench in the county.

Curiously, the commissioners split along non-party lines in the past year on two important issues. McGrady and Walker favored a municipal sports stadium and a mass transit system while McClelland held out for more private funds for the stadium and a referendum on the mass transit question.

Despite the steady rain throughout the entire game, the Gettysburg High School Warriors gave the handful of fans a wild final home appearance performance as they routed Newport 51-0 Friday evening on Kurtz Field in a Blue Mountain League contest.

No one could convince "Chief" Don Young and his happy band of Warriors that the Buffaloes were extinct in this day and age. They found their prize for a comfortable winter with 3:45 remaining in the first quarter when Dick Finkboner eluded a 46-yard, 11-play drive with a short two-yard toss to full-back Carl Harvey open in the end zone. A second before the quarter ended, big Tom Hefflin, a 185-pound tackle, picked up a loose Buffalo fumble in the 21 and galloped to pay dirt. Jim Newman booted the placement and Gettysburg led 13-0 at the end of the first period.

Finkboner guided the Warriors for 30 yards in eight plays for another TD at the 8:11 mark of the second quarter. He flipped a three-yarded to end Dick Walker and Newman made good on the placement. Walker set up the score by recovering a Reed Horton fumble on the preceding kick-off. Gettysburg clung to its 20-0 margin at intermission.

The new found hunting grounds became quite fruitful in the second half. Joe Riley slanted off right-end for 44 yards on the third play of a 63-yard advance. Six minutes later Nelson Wansel bounced through the line and dashed 14 yards to wind up a seven-play, 56-yard march. With just 48 seconds remaining in the third period, Larry Johnson, after being stopped at the line following a Newport punt, galloped 43 yards for a six-pointer and Gettysburg led 38-0 after three stanzas.

WANSER STANDOUT
Wansel, playing one of his finest ball games of the season, turned in a one-man show midway through the final quarter. Newport made its deepest penetration to the Gettysburg 20 via an intercepted pass. Four plays later the Buffaloes were driven back to the Warrior 32 and lost possession. Wansel ripped off the right guard slot for 13 yards and followed this up with a brilliant 55-yard punt for the seventh TD of the game.

With 2:50 to go in the contest, Rick Jones dazzled the fans with some fancy foot work. The 150-pound halfback, swept wide to the right near the sidelines. He then dodged one defender and skipped rope with the out of bounds line to evade two more Buffaloes and blasted off for 54 yards for the final score. Guard Dave Lutz split the uprights to send the hunting party home from a successful trip.

Newport had trouble all evening. It lost the ball three times via fumbles in key situations. It was also unable to pick up necessary

Bermudian Eagles Fall To South Huntingdon 20-6; Fumbles Costly

Fumbles proved costly to the Bermudian Springs High School football squad Friday evening at South Huntingdon as two were turned into touchdowns, the Eagles bowing 20-6.

In the opening period Bermudian fumbled on its 20-yard line to give its opponents the ball and the first touchdown came shortly afterwards when Gail Greenland raced over from the three. Greenland also ran for the point.

LONG TD PASS
Tom Shreiner's outfit came right back for its lone score in the second quarter on a 53-yard pass play from Todd Tanger to Bob Lancaster, end. The try for the point failed.

South Huntingdon capitalized on another fumble after recovering on the Bermudian 25 in the third frame. Glen Campbell scored from the six and Greenland ran for the point to make the score 14-6.

Late in the final period the Eagles lost the ball on downs on their 40-yard stripe. South Huntingdon moved the ball downfield to the two from where Greenland went in for the six-pointer.

Bermudian, now 1-6, will finish its season next Saturday evening at 8 o'clock when it plays at Ken-

RIVERO BEATS FERNANDEZ IN BRUISING BOUT

By MURRAY ROSE

Associated Press Sports Writer
NEW YORK (AP)—"My guy will fight Dick Tiger or six bulls next," said Rocky Graziano. "Right, Rocky?"

Argentina's Juan Rivero, whose right eye had been closed in a victorious, primitive, 10-round punch-fest with Cuban Florentino Fernandez Friday night, nodded his head as if he understood.

"Sure, sure," he said to his co-manager and second. Then he turned to a friend and asked in Spanish: "What did he say?" When advised, his good eye sparkled and he replied:

"Tiger yes, the bulls no."

Tiger, the world middleweight champion from Nigeria, has a prior title booking. He defends his crown against Joey Giardello in Atlantic City, N.J., Dec. 7.

TV BOUT DEC. 27
What the steel-jawed, tireless Argentine will get next is a television fight at Madison Square Garden Dec. 17 with Hurricane Carter or a return bout with Fernandez in Miami Beach, also on TV, on Dec. 27.

Fernandez, a vicious left-hander, had swept five straight foes by knockouts until he ran into the chubby buzzsaw from Buenos Aires in the Garden.

In one of the fiercest, no quarter scraps seen here and on national television in many a moon, the unranked Rivero earned a close, unanimous and popular decision over the 3½-1 favorite, a 10th-ranking contender.

FLOORED IN 8TH
A controversial knockdown in the eighth gave Rivero the round and the fight Rivero said he floored his foe with a left hook, Fernandez said he slipped. The referee made it an official knockdown by giving the Cuban from Miami Beach the mandatory eight count.

Rivero did land a left hook to Fernandez' jaw. The Taller Cuban started to throw a right counter but he slipped, missed the punch and his right hand touched the canvas. When Fernandez arose the paunchy Rivero tore in and smacked him in the mouth with a left and right before Referee Johnny Colan could get in there, separate the two and start his count.

The officials had Rivero ahead by the following round scores:

Colan, 5-4-1, Judge Leo Birnbaum, 6-3-1, and Judge George Walsh, 5-5, but Rivero the winner on points, 6-5. Walsh gave Rivero two points, including one for the knockdown, in the controversial eighth. The Associated Press score card had Rivero the winner by the same score as Walsh. Rivero weighed 161, Fernandez 157½.

GRID ADVICE "BACKFIRED" AGAINST IVY

By BOB HOOBING

Associated Press Sports Writer
BOSTON (AP)—Houston Coach Pop Ivy's advice to Bob Suci has backfired, helping Boston tie the Oilers for the Eastern Division lead in the American Football League.

Suci was voted the top performer in the game Friday night after the Patriots gave Houston its worst pasting in history, 45-3. The defensive back accounted for 172 yards running back two pass interceptions, three punts and a kickoff.

His 98-yard scoring sprint with a pass he took out of Will Dewey's hands clinched the decision which knotted the teams at 5-4 each.

Suci, a Michigan State alumnus, was cut by the Oilers just before the season started. He asked Ivy's advice about his future.

CALL BOSTON
"Why don't you give Boston a call?" Ivy told him. "Coach Mike Holovak needs a defensive back. He's just lost Don Webb."

Boston grabbed Suci and put him at safety. He was switched to corner back for Houston, however.

The Patriots intercepted six passes in the game, two short of the AFL record but returned them for a new total mark of 201 yards. The previous interception yardage mark of 194 yards was set by San Diego again Houston two years ago.

The blitzing Boston defense also recovered two Oiler fumbles and held Houston to a mere 19 yards rushing.

Quarterback Babe Parilli hooked up with Larry Garrison on a 76-yard touchdown pass play which rocked the visitors back on their heels early. Parilli

then added two short scoring runs.

San Diego's Western Division leaders are at New York Saturday night. The remainder of the action is listed for Sunday afternoon with Buffalo at Denver and Kansas City at Oakland.

Some of the star football players at Gettysburg College who played under Coach "Bill" Wood from 1919 through 1926 attended the testimonial dinner to the former coach Friday evening in the college dining hall. Among them were, left to right, first row, Leon Phillips (manager), Earl Ziegler, Henry T. Seemingly stunned by an 86-cent.

yard touchdown run by Jeff Horick on the first play from scrimmage, Northern's Polar Bears were a surprisingly easy victim of Biglerville 45-0 Friday evening in a Blue Mountain League game on the Cannors' field.

About 500 home-coming fans braved the cold rain to watch Jack Emanuel's outfit turn in one of its finest ground attacks of the season in piling up a total of 396 yards.

Horick, the league's current high scorer, added two more touchdowns before the Cannors reserves took over in the final period.

The opening kickoff was returned to the Biglerville 14 from where Horick, on a counter, broke through into the open and raced the entire distance. Bob Cover's kick for the point was blocked.

Biglerville marched 36 yards on seven plays for its second score after 4:00 of the second period. Mike Kane going over from the one on a quarterback sneak. Cover added the point on a place-

U.S. LEADING INDIA 2-0 IN TENNIS PLAY

By HENRY BRADSHAW

BOMBAY, India (AP)—The United States took a 2-0 lead over India in the interzone Davis Cup tennis finals Saturday as Chuck McKinley and Dennis Ralston scored straight set victories in the opening two singles matches.

McKinley, the Wimbledon champion, defeated Premjit Lall 6-4, 6-3, 6-0 in the first match and Ralston then beat India's top-ranked player, Ram-anathan Krishnan, 6-4, 6-1, 13-11 in the second match to give the United States a sweep of the opening singles.

The winner of the best-of-5 series will qualify to meet Australia, holder of the Davis Cup, in the Challenge Round at Adelaide, Australia, Dec. 26-28.

A victory in the doubles Sunday would clinch the interzone finals for America. McKinley and Ralston will form the United States' doubles team. The Indians' doubles combination still is undetermined.

The final two singles matches will take place Monday. Ralston will oppose Lall in the opening match with McKinley pitted against Krishnan in the final match.

A crowd of 5,300 jammed the Cricket Club of India Stadium for the opening day matches played on the slow clay court in 93-degree, humid heat.

GRID DEATHS DROP
LOS ANGELES (AP)—Football fatalities for the first half of the season are 26 per cent below the same period last year, a survey by the American Football Coaches Association reveals.

Dr. Floyd R. Eastwood of Los Angeles State College said that as of Nov. 1, 11 deaths have occurred as a direct result of football injuries. Last year 15 were recorded.

Undeclared Westminster Ekes Out 14-7 Verdict Over Battling Delone

Two quick second quarter touchdowns held up as Westminster remained undefeated by turning back a scrappy Delone squad 14-7 Friday night on the McSherrystown field in a steady rain.

Ed Bollinger proved to be the thorn in Coach Bucky Kempton's side as he accounted for 201 of Westminster's 270 rushing yards. He also pulled down three passes for an additional 56 yards.

With all the scoring coming within a four-minute period of the second stanza, the fast action was more than the Squires could stand. The Owls tallied their first six-pointer following a 65-yard drive on 12 plays. Jeff Myers capped the drive with a fourth down quarterback sneak from the one. Bollinger added the placement at the 5:20 mark of the period. The score was set up on Myers' fourth down 21-yard aerial to Gary Crabbs, placing the ball on the Delone seven.

SQUIRES BOUNCE BACK
Delone bounced right back when Steve Little returned the kickoff 34 yards to the Squires' 47. Three plays later Delone had a first down on the Westminster 39. Ted

Elliott then banged through the line for five yards and Raymond Staub followed by slanting off right tackle and streaking 34 yards to paydirt. Little converted and the score stood 7-7 with 3:15 to go in the half.

Delone's fatal blow was delivered moments later. The Squires attempted an on-sides kickoff but Westminster took over on the 50. Bollinger drove 18 yards to the Delone 32, and then Dale Freyman was tossed for a yard loss. Myers then faded back and fired a perfect aerial into the outstretched arms of Ed Bollinger on the goal line and with one step and he went in for the eventual winning TD. Bollinger also converted with 1:50 left in the half and the scoring was over for the night.

The loss was Delone's sixth in nine games while Westminster has now run its season total to 7-0-1. The Squires will pull down the curtain on their grid season next Saturday when they travel across town to take on South Western.

GRID PLAYERS WIN VERDICTS IN 3 COURTS

By THE ASSOCIATED PRESS

Some fine points of law affecting both college and professional football players were decided Friday at Los Angeles, Detroit and Baltimore.

In California, it was held that a college player, attending school on a scholarship, can be an employee of the school and entitled to workmen's compensation if he is involved in an accident on the job.

Under the ruling by the California State Court of Appeals, the widow and two small sons of Gary Van Horn will receive \$20,500 in death benefits at the rate of \$70 a week. Van Horn was one of 17 players on the team of Calif. Poly at San Luis Obispo who were killed in the crash of their plane at Toledo, Ohio, in 1960 while returning from a game against Bowling Green University.

AWARDED \$15,000
In Detroit, Gene Gedman, former halfback for the pro Detroit Lions, won an award estimated at \$15,000 from the appeals board of the Michigan Workmen's Compensation Commission.

In Baltimore, the Maryland Workmen's Compensation Commission awarded \$2,500 to Jackie Burkett, former line-backer for the NFL Colts, for a shoulder injury suffered in a 1960 preseason game.

California state attorneys pointed out that the Van Horn ruling did not mean that every student on an athletic scholarship could be considered a school employee. They quoted the decision text which said "it cannot be said as a matter of law that every student who received an athletic scholarship and plays on the school team is an employee of the school. Only where the evidence establishes a contract of employment is such an inference reasonably to be drawn." The attorneys said this meant each case would have to be considered individually.

DID NOT CONTEST
Burkett, a former Auburn star, claimed compensation for a shoulder separation suffered in the Aug. 12, 1960, All-Star game at Chicago between the Colts, then NFL champions, and the College All-Stars. The Maryland commission found Burkett suffered a permanent, partial disability "amounting to 20 percent industrial loss of use of his body." The Colts did not contest the issue.

Gedman, who once played for Indiana, suffered an injury to his left knee in a Detroit NFL game in 1958. The Lions released him in 1959. In 1961 a referee for the Michigan Compensation Commission, awarded Gedman \$33 a week for 500 weeks, saying Gedman had been totally disabled for football. The Lions appealed, but it was rejected by the appeals board.

Deadlines Near For Some Entries For Pa. Farm Show; Big Event Opens Jan. 13

THOMAS E. PIPER
County Farm Agent

Farmers of Adams County are reminded that closing dates for most entries in the 1964 Pennsylvania State Farm Show, next January 13-17 at Harrisburg, will come well in advance of that date. First of the deadlines, November 5, is for entries of agricultural and home-making school exhibits of Future Farmers of America and Future Homemakers of America. School demonstration entries by homemaking teams must be in by November 8, and those by vocational agriculture not later than November 23.

Thomas E. Piper

Of prime interest to farmers will be the closing date of Nov. 18. This will be the last day to enter horses (draft breeds), all breeding sheep, open class market lambs and the dressed carcass division (4-H market lambs have until Dec. 7), all swine,

all beef cattle, all dairy cattle, Folk Dance Festival and Contest, and most poultry (breed meats, turkeys 4-H capons, vocational classes, and broiler and roaster chickens have until Dec. 7).

Entries in the 4-H Insect Club contest must be in by Nov. 30. Tractor driving (4-H and FFA) and collective apary products have until Dec. 2. Individual apary exhibits have until Jan. 10.

Other closing dates: Dec. 14, horse and mule pulling contest; Dec. 20, producer-dealer quality eggs; Dec. 28, 4-H sheep blocking and grooming; Jan. 6, 4-H potato grading; Jan. 11, small grains, potatoes, grass silage, hay, cigar leaf tobacco, wool, baby chicks and poults, 4-H and vocational class corn, and home economics; Jan. 12, apples, nuts, sugar maple products, Christmas trees, dressed turkeys, and eggs other than producer-dealer classes; Jan. 13, opening day of the show, vegetables.

GUARD HEALTH OF ANIMALS
This is the season for runny noses, coughs, and other respiratory disease in cattle just as it is in humans.

Farmers and cattle owners are urged to watch for danger signs of these diseases. There are many of them, which can cause serious losses, and the alert should be kept up from now into winter.

A special watch should be kept for a condition known as "red nose," or IBR, according to a warning received from Dr. Sam Guss, Penn State extension veterinarian. This may strike from 25 to 100 per cent of the cattle in a lot. It causes heavy economic losses in feeder cattle and a sharp drop in milk production in dairy cattle.

Fortunately, vaccination by a veterinarian in advance of an outbreak can do much toward holding down losses from "red nose." Also, a farmer should isolate new stock for 30 days before allowing it to mingle with the home herd. This will give latent infections a chance to show up before they can be passed on to healthy cattle.

Things a farmer should watch for—runny noses, a low, throaty cough, rapid breathing, loss of condition. If any of these appear, a prompt diagnosis is in order.

HOUSE PULLETS SEPARATELY

New pullets stating to lay are better producers and give better longtime results if housed in a pen where there are only pullets like them. This means the same age, approximate size and development toward egg production. Yearling and older hens should likewise be kept in a separate pen.

New pullets may be retarded in production by the "bossism" of older hens. They may become lousy because the older fowls carry lice. If placed in an uncleaned and unrenovated pen with older fowls, they may suffer from the ravages of mites on their perches at night.

Older fowls carrying disease may be a source of contamination to the new pullets.

Feeding and management is difficult with the two age groups housed together. The hens may be going out of production. Nest fighting can be a problem as well as fighting at the feeders and on the perches.

From a management standpoint poultrymen have learned that it's not a good practice to keep pullets and older hens in the same house or pen.

ANNUAL MEETING

Plan to attend the annual meeting of the Adams County Agricultural Extension Association to be held at 7:25 p.m. Thursday, in the Rolling Acres Elementary School, Littlestown. Highlighting the program will be a speaker, Dr. Paul M. Althouse, director of general education at Penn State. His topic "Today Is Tomorrow" will outline the future demands on education.

BREEDERS OF HOLSTEINS TO CONVE

Three speakers, one of them Dr. Maurice K. Goddard, state secretary of forest and waters, were named today for the Pennsylvania Holstein Association golden anniversary convention November 21 and 22 in the Host Motel, Lancaster.

E. W. Newlin, Grantville, general chairman, said Dr. Goddard will address the convention banquet Friday evening November 22. The Penn State University Dairy Extension head, Joe S. Taylor, will preside.

State Secretary of Agriculture Leland H. Bull will address the convention breakfast program the same date. Association members and guests will hear Arthur B. Morgan, New Holland Machine Company sales manager, during the afternoon program.

TO GIVE AWARDS

Holstein Association President Obie Snder, Imbler, Pa., will preside for the business session starting at 9:45 a.m. New directors will be named and reports presented of the association's anniversary year activities. Appearing on the program will be the National Holstein Association executive secretary, Robert H. Rumler, Brattleboro, Vt.; state association secretary, William C. Nichol, and state Fieldman Thomas W. Kelly, both of State College; plus state committee chairmen, George Bridenbaugh, Martinsburg; Glen F. Zimmerman, Milliford; Clarence E. Lyons, Lancaster; Gideon K. Soltz, Atglen; E. W. Newlin, Grantville; Earl F. Noel, McSherrystown; Howard B. Weiss, Myerstown; H. M. Gans, Gans; Paul R. Anthony, Strausstown; David Roth, Loysville, and V. A. Houston, Leont.

National Holstein Director William L. Conyngham, Shavertown, will confer progressive breeder awards to 22 Pennsylvania dairymen who have excelled in improving their herds. Three county Holstein clubs will be cited for leading in membership service.

The convention will open November 21 with registration and state Holstein Association committee meetings. Group tours to New Holland Machine Company, Amish Farmstead and Landis Valley Museum Thursday afternoon will precede an evening program

Today In Washington

By THE ASSOCIATED PRESS
WASHINGTON (AP)—In the news from Washington:

EMPLOYMENT: More people had jobs in October, but the number of the nation's unemployed remained unchanged.

The Labor Department reported Thursday a 350,000 increase in nonfarm employment over September, bringing the total number of civilians with jobs to 69.9 million.

The jobless total held steady at 3.5 million.

The department said the slight changes in the job picture were mostly seasonal.

LABOR ADDRESS: President Kennedy will address the AFL-CIO Convention in New York Nov. 14, AFL - CIO President George Meany announced Thursday.

TAX CLAIM: The government says James R. Hoffa owes \$20,295 in income tax for 1959, but the Teamsters Union president and his wife, Josephine, have filed an appeal to the U.S. Tax Court.

One of the items at issue, Tax Court records showed Thursday, is \$22,930 in attorneys' fees the Teamsters paid for Hoffa as the result of a court trial. Hoffa's attorneys contend the legal fees were paid by the union because he became involved in the trial as a result of his duties as a union official. They argue it was a legitimate union expense.

SALE ON SATURDAY

Serving with Mr. Newlin on the general convention committee are Jonas Gruver, East Berlin; Richard Hess, Strasburg; Clarence Lyons, Lancaster; Earl F. Noel, McSherrystown; Roger Perry, York; David Roth, Loysville; Mrs. Rhelda Royer, Lancaster; Jack K. Sunday, Carlisle, and Howard B. Weiss, Myerstown.

Top quality registered Holsteins from the midwest, New England states, mid-Atlantic area and Canada will be sold on Saturday, November 23, at the golden anniversary harvest sale scheduled for the state Farm Show building, Harrisburg. The sale is a new feature for the three-day convention program.

Littlestown XMAS PARTY DECEMBER 21

LITTLESTOWN — The annual kiddies' Christmas party will again be sponsored by the Eagles December 21 at the Towne Theater. After attending the free movie the youngsters will be treated by Santa Claus. The younger children who will not attend the movie may receive their treats from Santa in the theater lobby during the show.

Due to the large number of community attitude development survey forms which were distributed and have been returned to the Littlestown Junior Chamber of Commerce, the deadline has been extended through Monday.

Mrs. Rachael Barley of the high school faculty is serving on an evaluating committee for the Middle Atlantic states certification of Franklinton School.

The November meeting of the Ladies' Aid Society of Grace Lutheran Church, Two Taverns, will be held at 7:30 p.m. Monday in the parish hall. A turkey and oyster supper will be served Tuesday starting at 4 p.m. in the parish hall.

Advisor Stanley F. Frock will show slides of past post activities at a meeting of Explorer Post 84 Monday at 7 p.m. at the Community Center. The Explorers will hold a coed hayride this evening, leaving at 7:30 o'clock from the post room.

Rehearsal Sunday For Living Rosary

All of the Girl Scouts who are members of St. Aloysius parish and who have Cadette Girl Scout uniforms are asked to meet at 1:30 p.m. Sunday in the parking lot in the rear of the church to go to the Gettysburg National Cemetery for rehearsal for the living rosary and candlelight procession which will be held on Sunday, November 17, under the sponsorship of the Conewago Deanery Council of Catholic Women in commemoration of the 100th anniversary of Lincoln's Gettysburg Address.

Some of the Scouts have already been chosen to participate in the living rosary and to be flag bearers and color guards. The others are asked to be available on Sunday to fill in the parishes who may not have enough Scouts with uniforms to participate. Transportation will be provided on Sunday. Mrs. Clyde H. Rohrbaugh and Mrs. Conrad C. Hull are members of the deanery committee.

Realize \$201 In UNICEF Collection

LITTLESTOWN — A total of \$201.50 was realized in the UNICEF trick or treat solicitation and a check for that amount has been presented to the Adams County chairman, Mrs. Howard Shoemaker. In addition to that collected by the approximately 60 children of the Fifth and Sixth Grades who served as solicitors, a check for \$15 was received from the Woman's Community Club and a check for \$5 from the Future Homemakers of America of Littlestown High School.

WOMAN, 83, DIES

MEADVILLE, Pa. (AP) — Mrs. Delia R. Norris, 83, of Saegertown R. 1, died Friday in City Hospital. She leaves 159 direct descendants.

NEW DIRECTOR

PITTSBURGH (AP) — The new director of coal research and development in the State Department of Mines and Mineral Industries is Dr. David R. Maneval, a former Williamsport resident.

Dr. H. B. Charnbury, secretary of the department, made the announcement Friday. He also said that action has been taken to control and put out a subsurface mine fire in nearby Penn Hills Twp.

RAIDING URGED BY GOVERNOR

BELLE VERNON, Pa. (AP) —Gov. Scranton said Friday night that he advocated raiding by state police from a standpoint of morality and for the future of Pennsylvania.

"But this isn't the essential and first job of the state police," he said, and added that he hoped the future would see these responsibilities assumed by local law enforcement agencies.

Scranton made these remarks at a Republican political rally near belle vernon, which was attended by some 1,000 persons from Westmoreland and Washington counties.

The governor said unemployment in the two counties would never be solved as long as there was laxity in local enforcement and poor local government.

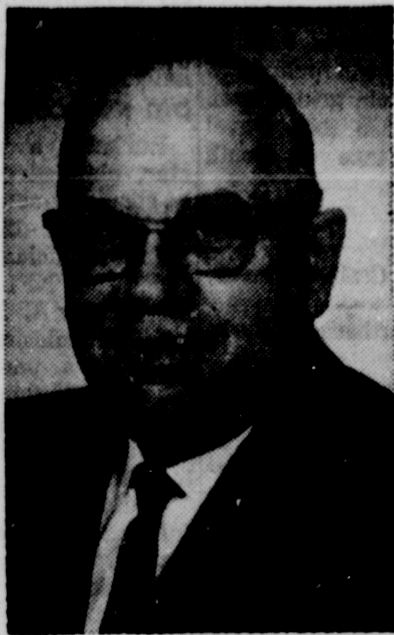

Business and industries refuse to locate in areas where they must pay high taxes and where graft and corruption exist, he said.

HOLLYWOOD (AP) — Henry Daniell, 69, veteran British actor, died Thursday of a heart attack. Daniell, who was born in London, appeared in his first motion picture in 1929 and recently had been working in Warner Brothers production of "My Fair Lady."

YOUNG SCIONS
INDICTED FOR
DESTRUCTION

RIVERHEAD, N.Y. (AP) — Fourteen young socialites, including the granddaughter of a duke, are under grand jury indictments charging willful destruction of property.

They were accused Friday of causing \$3,202 damage to a Southampton, Long Island, mansion after a debutante's ball two months ago.

If convicted on the misdemeanor charge, they could face a maximum penalty of six months in jail and \$250 fines.

The 13 young men, several from prominent families in New York City and Philadelphia, and Mimi Russell, 17, daughter of the publisher of Vogue and granddaughter of the duke of Marlborough, were among the 800 guests Aug. 31 at the debutante ball of Fernanda Wana-maker Wetherill.

SMASH PROPERTY

Miss Wetherill said that after the party several boys paid a band to continue the music at a nearby mansion her stepfather, Donald S. Leas Jr., had rented as sleeping accommodations for

Samuel J. Snyder Class of St. Paul's will be held on Monday at 6:30 p.m. in the church social hall. The meal will be served by the Starr Bible Class. Favors are being made by Loyalty group two, Mrs. James Yingling, chairman. The all-day fair committee will have a brief meeting following the banquet.

SOVIET SPIES
ARE DEPORTED
FIRDAY NIGHT

NEW YORK (AP)—Three accused Soviet spies expelled by the United States flew home to Russia Friday night after one ridiculed the espionage charges as "nonsense."

The one-word description was offered by Yuri A. Romashin, 8, third secretary of the Russian delegation to the United Nations, as he and two other delegation employees departed.

The State Department had requested that the three be booted out of the country. They could not be prosecuted here because of diplomatic immunity.

Besides Romashin, the other two are Gleb A. Pavlov, 39, a Soviet attaché, and Vladimir I. Olenov, 37, identified only as a delegation employee. Their wives and Romashin's young daughter and Olenov's infant son left with them.

"I'm very glad to be going home," Romashin told reporters. "We send our best wishes to the America workers."

The FBI said the three Russians had conspired with an American engineer and a Soviet citizen who did not enjoy diplomatic immunity, to steal data on a "highly sensitive Air Force contract."

The latter two, Igor A. Ivanov, 33, a chauffeur for Amtorg, the Soviet trading agency, and U.S. citizen John W. Butenko, 38, of Orange, N.J., an engineer for the International Electric Corp., are being held by federal authorities for prosecution on spy charges.

Butenko's firm, a subsidiary of International Telephone and Telegraph Co., is doing work for the Strategic Air Command on a worldwide electronic control system.

He and the other four were picked up last Tuesday night in Englewood, N.J.

Adolph Menjou Is
Eulogized At Rites

BEVERLY HILLS, Calif. (AP) — Friends of late actor Adolph Menjou eulogized him as a fighter of "forces of subversion" within the Hollywood film industry.

Dr. J. Herbert Smith, rector of All Saints Episcopal Church and a friend of Menjou, said Friday in memorial services that Menjou "was among the first to see the dangers that existed in Hollywood back in the late 40s."

Menjou died Oct. 29 at the age of 73.

More than 100 mourners attended the services, including James Stewart, George Murphy, William Demarest and J. Carroll Naish.

some of the male guests. At midmorning police arrived and found hundreds of broken windows, smashed furniture and some two dozen boys, whose photograph they took in a group. The boys reportedly told police the 45-room mansion was private property and they could do what they wanted with it.

The seaside mansion is owned by Robert Mallory Harriss. Miss Wetherill's stepfather at first indicated that no charges would be pressed as long as the boys apologized and made restitution. Last Tuesday he issued a statement saying that only one boy had offered to do so.

Edwin F. Russell of New York City, Mimi Russell's father, said in a statement Friday night that his daughter "had no part in the vandalism. . . ."

Girl, 16, Has
Had Three Babies

CLEVELAND (AP) — A 16-year-old girl has had three illegitimate children, a juvenile court judge says, and her mother faces trial after telling the judge she instructed her daughter on the use of contraceptives.

Mrs. Virginia McLaughlin, 33, was charged Friday with contributing to the delinquency of a minor. Judge Angelo Gagliardo said he ordered the charges placed against the mother on the basis of her statement in a recent court session with her daughter.

He quoted the mother as saying, "I told my daughter where to buy contraceptives and how to use them but she still got pregnant."

NEW BORN BABY
SPARKS DADDY

SAN JOSE, Calif. (AP)—Credit a young girl for Al Gelberger's excellent showing the past three weeks on the professional golfing circuit.

The little lady is Lee Ann Gelberger, seven-week old daughter of Al, the midway leader in the \$25,000 Almaden Open.

"I took five weeks off the tour while the baby was coming and after she got here," says Al. "So now I have to make up for lost time."

The National League set an attendance mark by drawing 11,382,233 fans in 1963.

Lanky Al, 26-year-old graduate of the University of Southern California, tied for second at the Sahara Invitation in Las Vegas two weeks ago and sank a 15-foot birdie putt at the 72nd hole to get a deadlock for second at last week's Fresno Open.

He banked \$7,300 for that two weeks' work and is now after the \$3,500 top prize for the four-day chase over the 7,045-yard, par 36-36-72 Almaden Golf and Country Club course.

A 33-34-67 Friday coupled with Thursday's 69 put him at 136, a stroke ahead of Bob Rosburg and Jim Ferree.

ON SEA DUTY

Louis J. Hagerman, seaman, USN, son of Mr. and Mrs. Louis J. Hagerman, 102 N. Peter St., New Oxford, is serving aboard the attack cargo ship U.S.S. Yancey, which participated in a NATO exercise entitled "South Trap" with the Sixth Fleet in the Mediterranean.

Bud Keffer, boilerman fireman, USN, son of Mr. and Mrs. William J. Keffer, 24 N. Fourth St., McSherrystown, is serving aboard the amphibious force flagship U.S.S. Taconic, in the same exercise.

"South Trap" included carrier tank force operations, antisubmarine warfare exercises and an amphibious assault landing in Turkish Thrace. Armed forces of the U.S., Greece and Turkey participated in the exercise.

DEATHS

NEW YORK (AP) — Elsa Maxwell, 80, internationally known hostess to royalty and society, died Friday of a heart ailment.

DARBY, Pa. (AP)—The Rev. Dr. Leon le C'ain, 85, widely known archeologist and former curator of the Babylonian section at the University of Pennsylvania, died Friday.

BALTIMORE (AP) — The Rev. Canon Samuel Moor Shoemaker, 69, retired prominent Episcopal clergyman, died Thursday. He had been hospitalized two weeks for treatment of a heart ailment.

Vote "NO" On Project "70" Because

1. A yes vote could mean much higher taxes.
2. We now have one of the highest sales taxes of any state in the nation.
3. The Federal Government and the State of Pennsylvania already own 12% of all the land in our Commonwealth (nearly 3½ million acres).
4. A yes vote means that your homes, land and farms can be condemned and taken.
5. If you believe in private property rights, vote "NO" November 5.

Says Book Was Used To Promote Un-American Work

The controversy over "The American Way of Death," a book by Jessica Mitford, on the high cost of dying, found its way into a recent issue of the Congressional Record when James B. Utt, representative from California, charged that Mrs. Mitford, is using the book to promote un-American activities in this country, and that CBS, sponsors of a recent hour-long television program, was aiding her in the promotion of a book that would provide "more profits for the coffers of the Communist Party, U.S.A."

In her recent column for the Gettysburg Times, Cynthia Lowry, AP television and radio critic, described the program as "a bit grim," but "generally concerned with the pros and cons of expensive, lavish funerals." The program included comments from three clergymen, several funeral directors and the association's publicity agent, memorial gardens plot salesman and Mrs. Mitford. Robert Trout narrated the program.

Representative Utt charged that CBS is "left-leaning," and told Congress that "some patriotic American should demand and receive equal time to expose Jessica Mitford and her Communist front activities." He said that the author took the Fifth Amendment in 1953 when her husband, Robert Truehaft, identified with the Communist Party, was questioned by the Un-American Activities Committee of California. Utt also said that Mrs. Mitford was once financial director of the Communist-run California Labor School and was a director of the

POWER FAILURE GROUNDS VESSEL

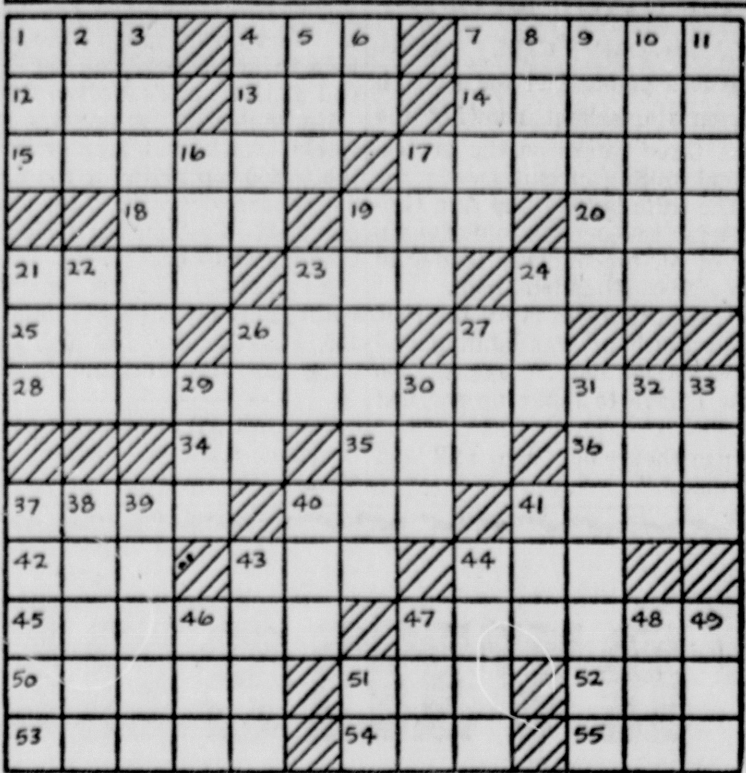

PHILADELPHIA (AP) — Officials say a brief power failure at the Tacony-Palmira Bridge caused a vessel to run aground on the banks of the Delaware River.

The National Bulk Carriers-owned Ore Chief, totting 41,000 tons of iron ore, was stuck for two hours Friday, but finally pulled free and continued upstream to U.S. Steel Corporation's Fairless Steel Works at Morrisville.

The boat stopped near the bridge when a tower operator signaled a malfunction. Minutes later, the power failure corrected itself, but the ship lost headway and the current carried it onto the mud.

Auto Strikes Two Sisters; One Dies

BEDFORD, Pa. (AP)—State police report that a car struck two sisters Friday night on Route 30 in nearby Schellsburg, fatally injuring one of the women.

Mrs. Eliza C. Felton, 67, of Schellsburg, died in Bedford County Community Hospital shortly after the accident.

Her sister, Mrs. Flora Colvin, 80, of Schellsburg, R. D., was detained in the hospital with a broken arm and internal injuries.

Police said the operator of the car, Blair Hillegas, 56, of Schellsburg, told them the women stepped in front of his auto. He said he could not avoid the accident.

DIES OF INJURIES

POTTSTOWN, Pa. (AP) — David A. Jones, 64, president of the Stanley G. Flagg Co., Inc., of Philadelphia, died Friday in Memorial Hospital here from injuries suffered in an auto accident. Jones, of Bryn Mawr, had been with the company for 31 years, becoming president in 1953.

KANSAS CITY FACTION CHIEF SHOT TO DEATH

KANSAS CITY (AP)—Joe Tigerman was the prototype of the would-be political boss who never quite became boss. He had a promotion three years ago that someone would gun him down. Friday someone did.

Tigerman, 54, was shot three times as he sat in the office of his used car lot.

The fast-talking Tigerman, a Democratic faction leader, was deep in a political campaign that day three years ago when he suggested to three luncheon companions that he might encounter violence.

He tossed a typewritten statement to one of them and said: "That's my statement in case anything happens to me. I'm hot, brother, I'm hot."

The statement, made public after his death, said in part: "The muscle is on the move,

and either they feel this is the big moment or they're scared, and when punks get scared they're too stupid to think things out. . . .

"They have put out the word to pistol-whip some of the less faithful in line and, in my case, to gun me down. . . .

"Lately . . . the threats have been a lot more blunt."

The man who preserved the statement declined identification.

Still on Tigerman's body when two of his automobile salesmen found it were \$2, a ruby ring, a diamond ring and a wrist watch.

ACTIVE IN POLITICS

Tigerman was active in politics in the days of Tom Pendergast and spoke fondly of the city's political boss of the 30s. Pendergast helped him after he pleaded guilty as a youth to two interstate auto theft charges. Tigerman's penitentiary sentence was suspended.

Every Labor Day Tigerman threw a picnic for Jackson County Democrats and the events always were well attended.

In 1950 Tigerman was named as a bookmaker by a federal

CORE Withdraws Support Of Mayor

PHILADELPHIA (AP) — The Congress of Racial Equality has withdrawn its support of the Mayor's Citizens Advisory Committee on Civil Rights.

Edward S. Hollander, a member of CORE's local executive committee, charged on Friday that the group was for the most part interested in Mayor James H. J. Tate, the Democratic mayoral candidate.

Hollander, who has been serving on the citizens' group, said the committee was "a fake, a fraud and a phony," he said his organization "will not assist in promoting the illusion that the mayor and his administration have a good record on civil rights."

JERSEY CHOSEN FOR NEW PLANT

CAMDEN, N.J. (AP)—Arthur L. Malcarney, Radio Corp. of America group executive vice president, says the nearness of Philadelphia's International Airport is the reason the company chose south Jersey for a planned \$2.5 million facility.

Malcarney gave that explanation Friday after the firm reported it will build a large electronic parts depot near here. The new structure will be the headquarters of RCA's parts and accessories division.

Meanwhile, there was no immediate company comment on an announcement by Edwin Checkley, president of Local 103 International Union of Electrical Workers, that 143 production workers had been furloughed. Ten other employees were fired, Checkley said.

WEST VIRGINIA IS FAVORED TO BEAT OLD FOE

WASHINGTON (AP) — West Virginia's football team, in doubt over a starting lineup, is still an eight-point favorite to defeat George Washington's Colonials in today's Southern Conference clash.

Coach Gene Corum of the Mountaineers said he was undecided on his starting team and probably won't announce it until just prior to game time.

Corum indicated he was displeased with the lack of speed which has hindered the team in its last two games, both defeats.

He was leaning toward reserve quarterback Ed Pastilong in place of usual starter Jerry Yost and also hinted that two-year veteran Pete Goimarac may see much of the game sitting on the bench, his center position being filled by junior Jim Mazzella.

With the prospect of rain for the battle in D.C. Stadium, Corum said he will stick close to ground with sophomore fullback Dick Leftridge doing the brunt of the running.

A Bit Of History About Early Settlers

By B. F. M. MacPHERSON

THE FIRST MATTHEW DILL

It would be impossible to answer all the inquiries pertaining to the Dill family that have been received since this series on that pioneer family began in this column. However, all possible data will be included. Thomas (3) will be the third son of Colonel Matthew (2) and Jean (Brackon) Dill, was born in July of 1756 at what is now Dillsburg, York County, Pennsylvania. He fought in the War of the American Revolution and after its close became a farmer and teacher. At some time or other, the exact date is not known, he (Thomas (3) Dill) followed the westward movement and died at Willamette, Ohio, in 1833 — during a cholera epidemic. His grave is in the burial ground of the Yellow Creek Presbyterian Church located near that town.

MARRIED IN 1785

Thomas (3) Dill was married, in 1785, to Mary Boyd and they were the parents of the following children:

1. Jane (4) Dill — born at Dillsburg, York County, Pennsylvania — married in 1804 to Henry Wilson.

Note — There is a grave in the old Monaghan Presbyterian section of the Dillsburg Cemetery that could be the grave of the Jane Wilson mentioned above. The inscription reads as follows:

"In memory of — Jane Wilson — who departed this life the first day of March, 1826 — Aged 65 years."

2. Matthew (4) Dill — born ? — died ? — married, January 30, 1806 at Washington, Pennsylvania, by the Rev. Matthew Brown, to Miss Jane Cunningham.

3. John (3) Dill — born ? — died ?

HAD 6 CHILDREN

Nancy (3) Dill, the fourth child and first daughter of Colonel Matthew and Jean (or Jane) (Brackon) Dill, was born in 1763 and died October 5, 1834 at Dill's Run, Brushnally Township, Indiana County, Pennsylvania. She was married to John Armor and they were the parents of six children — all born either in York County, Pennsylvania, or at Dill's Run, where the parents finally settled.

5. George (3) Dill, the fifth

child and fourth son of Colonel Matthew (2) and Jean (Brackon) Dill, was born about 1766 and died in 1812-13. His death occurred "en route" — during his return from service in the War of 1812-14 and he is buried at Prescott, Ontario.

George (3) Dill married Elinor Thompson and she survived her husband by some 12 or 13 years. Her grave can still be seen in the Dill family burial plot of the old Monaghan Presbyterian churchyard. The inscription from the marker reads as follows:

3. "In memory of — Eleanor Dill — Who departed this life — December the 26th 1826 — In the 58th year of her age. — Be ye always ready, for death came — at a moment when she thought not."

George (3) and Elinor (Thompson) Dill has issue — as follows:

1. George (4) Dill — born June 15, 1790 — died December 1867 — married May 3, 1828 to Hannah Brawley.

Note — Both George (4) Dill and his wife, Hannah (Brawley) Dill are buried at Dillsburg, York County, Pennsylvania.

XII. Elizabeth (3) Dill, the sixth daughter and 12th child of Colonel Matthew (2) and Jean (Brackon) Dill, born ? — died ? — married, May 1, 1797, to Thomas Sanderson. They were the parents of eight children — listed as follows:

1. Matthew (4) Sanderson — no further data on this branch of the Dill family tree.

2. Eliza (4) Sanderson — no further information.

3. Hannah (4) Sanderson — another unknown branch.

4. Thomas (4) Sanderson — no additional data.

5. Uridia (4) Sanderson — nothing further known at this time.

6. Margaret (4) Sanderson — born "May 5th 1809 after dark" — died ? — married George Robertson (born 1800—died 1867), a son of Hugh Robertson.

7. Lislia (4) Sanderson — no further data at this time.

8. Samuel (4) Sanderson — another unknown branch of the family tree

In the Monaghan Presbyterian

section of the Dillsburg cemetery, in the Dill family plot, there is a large flat brownstone — covering an entire grave — which bears the following inscription:

1. "In memory of — Captain Matthew Dill, Esq., — Who died October 13th, 1750 — Aged 52 years."

This is the grave of the pioneer ancestor of the Pennsylvania Dill family in America. He was born in 1698, presumably in Monaghan, Ulster Plantation, Ireland, of Scotch parentage. He died at what is now Dillsburg, York County, Pennsylvania.

The Scotch and English people, who had settled in Ireland and taken up Irish estates, confiscated by the first Queen Elizabeth and her successor, James I, were known as Ulsterites. The coming of these Ulsterites to America, particularly to the Province of Pennsylvania, began about 1700 and continued with unabated vigor during the following 50 years. On the last west of the Susquehanna River these newcomers settled in rather large numbers. In particular, the entire territory north of York, soon became known as the "Monaghan Settlement." It was during this migration that the first Matthew Dill came to America.

There is a fairly reliable family tradition that Matthew (1) Dill first settled in one of the early "Hundredts" — near the present site of Wilmington, Delaware. The first authentic record, however, is found in the original tax list of Fallowfield Township, Chester County, Pennsylvania, in 1732. Here he was taxed annually until 1742 at which time his name disappears from the rolls.

Matthew (1) Dill is next heard from, on June 16 1742, in Lancaster (now York) County, Pennsylvania at which time Henry Wilson assigned to him his own warrant of land — containing some 504 acres. It was on this tract that the first Matthew Dill built a home for himself and family. In addition this pioneer member of the Dill family "took up" another hundred acres adjoining his original purchase.

The notes on the Dill family will be continued next week.

RACE TENSION NEW ISSUE IN PHILA. VOTING

PHILADELPHIA (AP)—Racial tensions in this "City of Brotherly Love" have added a dimension to this year's mayoral election, but just how big an effect it will have on Tuesday's voting no one seems to know.

Voters will head for the polls, next Tuesday to cast their ballots for either incumbent Mayor James H. J. Tate, a Democrat, or the Republican Challenger, James T. McDermott to climax a tough campaign.

Just how hard fought the campaign has been pointed up Wednesday night when President Kennedy came to town to boost the candidacy of Tate. Earlier in the campaign Republican Gov. Scranton, came to Philadelphia to get behind McDermott.

MENTIONED BY JFK

At his news conference Thursday the President admitted that "civil rights may be a factor in the election (in Philadelphia) although I am not aware that they (the candidates) have taken different positions on the civil rights issue."

At the dinner here Wednesday night the President said Tate deserves special credit for "vigorous leadership" in dealing with the "health and safety and job opportunities and housing and education of all the citizens of the city."

Tate has accused McDermott of "playing for the white vote." McDermott, a 37-year-old lawyer who has never held public office, vigorously denies the charge.

FOR ALL PEOPLE

He says he seeks no support from any one group and if elected would be mayor for all the people.

Tate insists McDermott bid for the white vote by declaring government may be wrong in interfering with an individual's right to choose the type of neighborhood in which he wants to live, or the schools to which he wants to send his children.

McDermott has hammered at what he calls a breakdown of law and order. "At the present time," he says, "you have crime in the streets; you have rioting in our schools; you have a general breakdown of our concepts

of law and order, caused by indecisiveness of our chief executive. We must insure the rights of every man."

McDermott is trying to win back city hall from the Democrats who have held it since 1951.

Democrats now hold a registration edge of 591,989 to 369,626. There are about 231,000 Negroes registered, most of them Democrats.

In 1960 Philadelphia delivered a 331,000-vote majority for President Kennedy. Democrats are predicting victory next Tuesday, but nothing on that scale. Political observers who pick Tate to win say the margin may range from 20,000 to 60,000.

McDermott predicts a victory by 10,000 votes.

SOMERSET, Pa. (AP)—A Somerset County boy has begun a series of 14 anti-rabies shots because of a bite suffered from a rabid skunk.

Chris Krepelka, 2, sustained the bite Oct. 24 in his yard at Berlin R. 3. He received his first shot Thursday.

The family trapped the skunk alive and it died the next day. An investigation revealed that it was rabid.

Rug Firm Buys Hair Felt Stock

NEEDHAM, Mass. (AP)—The Ludlow Corp. is acquiring the outstanding shares of the Newark Hair Felt Co. of Lansdale, Pa., in exchange for stock according to company officers.

Austin B. Mason, Ludlow president, and Matthew J. Murphy Jr., Newark president, announced the arrangement Thursday.

Newark manufactures rubber and fiber rug cushions. Its sales volume is reported \$1.3 million a year. Ludlow, which makes jute-based textiles and specialty papers and paper products, reportedly had sales of \$64 million last year.

The officers said Newark will continue to operate as a separate corporation.

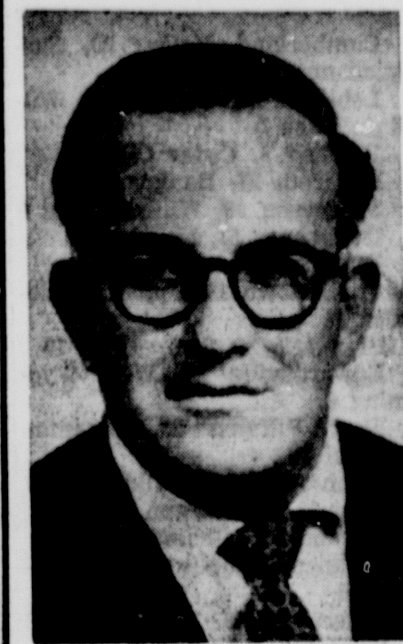

When the late King George VI visited the Duchy of Cornwall after his coronation in 1936, he was greeted with a deluge of traditional tributes: 100 shillings and a pepper a gray clock, gilt spurs, a pound of cumins, a salmon spear, a bundle of twigs and a pair of white gloves.

No successors were immediately named.

Homer became president in 1945 before moving up to his present post, which pays more than \$300,000 a year.

5 RELEASED INTEGRATION LEADERS MAKE PLANS TO FIGHT

AMERICUS, Ga. (AP)—Five integration leaders plan to continue working for civil rights now that they are free on bond under an unprecedented federal court order which struck down two Georgia laws.

The five spent nearly three months in jail in this south Georgia farming center before they were released Friday. They said they were not mistreated.

John Perdue, 21, a white Harvard University student from Denver, Colo., reported demonstrations will be resumed in Americus "if they're necessary."

Others told of intentions to continue work in the Negro voter registration movement and in attempting to organize a Negro farmers cooperative.

FREED BY COURT

The three white men and two Negroes were freed in a 2-1 order by a three-judge panel. The court retained jurisdiction and recessed until after Dec. 1.

The ruling voided a 19th century insurrection law — which carried a maximum penalty of death — and an unlawful assembly statute.

If upheld, the order would set a precedent for civil rights demonstrators to go directly to federal court with complaints of excessive bond.

Another significant facet of the order was injunctive restraint against the prosecution of peace warrants, a legal weapon which has come into play recently in fighting integration efforts.

FREE ON BAIL

Released on bond of \$2,500 in addition to Perdue were Donald Harris, 23, of New York; Ralph W. Allen, 22, of Melrose, Mass.; and Thomas McDaniel, 19, of Americus. Bond of \$500 was signed for Zev Aelony, 25, of Minneapolis.

Released on \$500 bond each

PACER SEEKS 12TH RECORD THIS EVENING

WESTBURY, N.Y. (AP)—Overtrick, hailed by many as the greatest pacer ever to trot a race track, bids for his 12th sub-two-minute mile of the year tonight when he faces seven other 3-year-olds in the \$146,324.87 Messenger Stakes at Roosevelt Raceway.

Since Star Pointer turned in the first official two-minute mile in 1897, over 600 trotters and pacers have carved out efforts of 2:00 or better. Of these, only three have come close to approaching the fabulous total of the son of Solicitor, owned by Mrs. Leonard J. Buck of Far Hills, N.J.

Two of Overtrick's rivals tonight are among those who have been under the magic barrier and each holds at least one decision over Mrs. Buck's great sidewheeler.

Meadow Skipper, from Norman Woolworth's Clearview Stables of Winthrop, Maine, paced a world record of 1:55.1-5 for a mile track in beating Overtrick at Lexington, Ky., after taking a decision over him earlier in the season in the Cane Futurity at Yonkers Raceway.

Continue Ban On Hunting Despite Drenching Rains

By THE ASSOCIATED PRESS

The statewide ban on hunting and fishing remained in force today in drought-stricken Pennsylvania, despite drenching rains in many areas, to spoil the scheduled opening of the 1963 small game season.

State Forests and Waters Secretary Maurice K. Goddard said Friday night much more rain is still needed to alleviate the threat of forest fires.

It marked the first time since 1952 the opening of the small game season had to be postponed, forcing thousands of hunters to stay at home.

The season, which includes rabbits, squirrels, grouse, turkeys, pheasants, and quail was scheduled to open at 8 a.m.

CONTINUE BAN

But Goddard and Gov. Scranton decided Friday after a telephone consultation that the ban, first proclaimed Oct. 18, should continue, even though some areas of the state received over an inch of rain in the last two days.

The state game commission in Harrisburg has been flooded with telephone calls from hunters anxious to know whether the ban would be lifted.

Goddard said the rain was a welcome relief to fire fighters, but insufficient to alleviate the basic problem of forest fires.

"To withdraw the bans on smoking, outdoor fires, hunting and fishing, until greater amounts of precipitation fall would be to risk the loss of all that has been gained through the governor's proclamation."

He noted that new fires dropped off sharply early in the week following rain, but rose again Wednesday and Thursday as high winds dried out the forests.

"There has been little significant penetration into the bone dry subsurface area," Goddard continued.

Meanwhile, six more Pennsylvania counties have been declared emergency disaster areas as a result of the drought, bringing to 48 the number of state counties eligible for special loans.

Newest counties certified by the U.S. Department of Agriculture were Adams, Dauphin, Juniata, Mifflin, Perry and York. All are eligible for loans from the Farmers Home Administration at 3 per cent interest.

BOY SCOUTS HELP

Boy Scout troops and campers are also fulfilling their parts in the battle against drought, closing down camps and forbidding hikes and trips through forests.

Don, carrying the hopes of Andre Mercure and Roger Garon, stepped a mile over Liberty Belle's three-quarter-mile oval in 1:57.4-5 with Meadow Skipper second and Overtrick fifth.

ests and woodlands.

As for hunting, M. J. Golden, executive director of the game commission, said the small game season would be opened as soon as there is sufficient rainfall to end the fire threat.

He also said the commission is considering the addition of days to the regularly scheduled seasons to make up for the lost time.

"But we don't want to open the season in some parts and not others at different times," he added. "It must be done in entirety to avoid the problem faced in 1952 when the ban was lifted after a week in 16 counties, which then were deluged by an influx of hunters."

Golden said he had been urged to recommend that the season be opened in areas which had heavier rainfalls.

FANS WONDER IF BROWNS CAN BOUNCE BACK

By THE ASSOCIATED PRESS

Can the Cleveland Browns bounce back?

That was the question in the minds of many followers of professional football today as the Browns made ready to play Philadelphia in Franklin Field in one of Sunday's seven National Football League games.

The Browns and their all-around star, Jimmy Brown, absorbed a 33-6 whipping from the New York Giants last week after six straight victories. How they will play against the Eagles in Philadelphia may provide an indication whether they will stay in first place in the Eastern Conference.

TIED FOR SECOND

The Giants and the Cardinals, now tied for second in the East at 5-2, battle at St. Louis. The loser could well drop out of contention.

MISS ORCUTT IN PLAYOFF

DELRAY BEACH, Fla. (AP)—Maureen Orcutt and Mrs. Allison Choate meet in an 18-hole playoff today for the National Senior Women's Amateur Golf Championship.

Miss Orcutt, defending champion from Haworth, N.J., and Mrs. Choate, of Rye, N.Y., finished the regulation 54-holes Friday at 239. That broke the record of 240 set last year by Miss Orcutt when the tournament was played at Oreland, Pa.

Both women shot final rounds of 78 over the 6,225-yard Country Club of Florida course where women's par is 75.

VOTES WITH MINORITY

WASHINGTON (AP)—Sen. Joseph S. Clark, D-Pa., voted with the minority in the Senate's 46-29 rejection of a motion Wayne Morse, D-Ore., to send back to its Foreign Relations Committee the \$4.2 billion foreign aid authorization bill. Sen. Hugh Scott, R-Pa., was paired for the motion Friday but did not vote.

In 1959 the Los Angeles Dodgers won the World Series by beating the Chicago White Sox, four games to two.

Bay Packers, tied for the top in the Western Conference, face stiff opposition. The Bears are at Baltimore while the Packers take on Pittsburgh in Milwaukee.

Detroit is at San Francisco, Washington at Dallas and Los Angeles at Minnesota in Sunday's other NFL games.

The weekend pro activities got under way Friday night with Boston battering Houston 45-3 in an American League game at Boston. The Patriots thus tied the Oilers for the lead in the Eastern Division at 5-4-0.

San Diego, leader of the Western AFL Division, plays at the Polo Grounds in New York tonight against the surprising Jets. New York, now 3-3-1, could take over a percentage point lead in the East by winning.

There are two Sunday games in the AFL, Buffalo at Denver and Kansas City at Oakland.

CELTICS STAY UNBEATEN IN CAGE LEAGUE

By THE ASSOCIATED PRESS

The champion Boston Celtics continue to roll on majestically in the National Basketball Association despite the loss of tricky, crowd-pleasing Bob Cousy.

Before the season opened Big Bill Russell, who has helped the Celtics win the NBA title five straight years, said the team would miss Cousy, now coach of Boston College, but that he expected John Havlicek to take up the slack.

So far Havlicek, former Ohio State star, has come through in fine style. He flipped in 25 points Friday night as the unbeaten Celtics made it five straight with a 119-102 victory over the Philadelphia 76ers.

Sam Jones added 28 and Russell turned in a great defense performance in the contest at Philadelphia. Hal Greer's 24 points paced the 76ers.

LAKERS WIN

In Friday's other scheduled NBA game, the Los Angeles Lakers took a 33-31 first quarter lead and went on to defeat the Cincinnati Royals 122-112.

The victory on their home court put the Lakers within a half-game of the leading St. Louis Hawks in the Western Division.

The Royals, who knocked the Lakers out of first place on Wednesday, pulled within 93-88 after three quarters before the Lakers put the game out of reach on Jerry West's shooting.

West and Dick Barnett were high for the Lakers with 29 points each. Oscar Robertson topped the Royals with 26.

Dave Sarette holds the Syracuse University record for most touchdowns passes thrown. He connected for 15 scores in three seasons between 1959 and 1961.

Expect Saigon Rulers To Heal Rift With Buddhists

By SPENCER DAVIS
Associated Press Staff Writer
WASHINGTON (AP) — The United States expects the new government in South Viet Nam to heal the rift with the country's Buddhist majority and speedily resume the war against the Communist guerrillas.

Officials here believe the revolutionary committee of generals which ousted the Diem regime has the widespread popular support necessary for success of the U.S.-backed war effort.

They contend the removal of President Ngo Dinh Diem and his brother, Ngo Dinh Nhu, stemmed from a conclusion by the Vietnamese army leadership that the Viet Cong could not be defeated under the Roman Catholic-oriented Diem government.

FREE PRISONERS

It was noted here that political prisoners, students and Buddhist monks and nuns, imprisoned under Diem and Nhu, were quickly released by the military leaders. This is expected to go far in massing public support for the military regime.

Nguyen Ngoc Tho, a former vice president who was named provisional prime minister, had been leading a campaign to conciliate the Buddhists. He was the ranking Buddhist in the Diem government.

The military group is expected to announce the participation of other civilians who are not only anti-Communist but pro-Western in their thinking.

U.S. officials maintain Washington had no advance warning of the takeover and that the United States had no hand in it. There was no surprise, however, when the siege of the presidential palace began.

FEARED COUP

There had been persistent rumors for weeks that a coup would be attempted. But the

news of it came dramatically here. At 3 a.m. Kennedy was awakened to receive the first reports of the fighting in Saigon. Soon automobiles carrying advisers began arriving at the White House and State Department.

By 9:30 a.m., Kennedy was in his office. From his chief military, diplomatic and intelligence advisers he received a full report on the situation, and orders went out for U.S. military forces in the Pacific to head toward Viet Nam "should it be necessary to protect American lives."

U. S. DISPLEASED

This morning the U.S. aircraft carrier Hancock left Hong Kong, apparently heading toward South Viet Nam. The United States had demonstrated its displeasure with the Diem regime. Relations between Washington and Saigon became increasingly strained during September and October as the United States sought to pressure Diem into easing his repressive policies against the Buddhists.

Last month special pay to those of Nhu's elite paratroop corps who had been trained for fighting guerrillas but were used in raids on Buddhist pagodas, was suspended. U.S. economic aid amounting to about \$10 million a month was cut off.

The downfall of the Diem government opens the way for a resumption of this assistance.

TWO EXECUTED

TEHRAN (AP) — Two men who headed bloody antigovernment riots in Tehran last June were executed by a firing squad today.

Coastal swamps and a maze of rivers, streams and natural canals give Tabasco state in Mexico a superabundance of water.

GOOD WEATHER FORECAST FOR GRID BATTLES

By TED MEIER

Associated Press Sports Writer
Good football weather for a change has been forecast for most of the big games on college grids today. That means the fair, but nippy temperatures usually associated with the fall sport instead of the shirt-sleeved weather that prevailed most of October.

About the only warm spot promises to be the Cotton Bowl in Dallas where unbeaten and untied Texas, top-ranked in The Associated Press national poll, tries for its seventh straight victory against Southern Methodist. The forecast was for 70-degree temperatures.

FINE IN MIDWEST

In Chicago, where President Kennedy is expected to watch the Army-Air Force struggle at Soldier Field, the temperatures will be in the 40's. This also goes for the Navy-Notre Dame clash in South Bend, Ind., and the Purdue-Illinois clash at Champaign, Ill.

Cloudy conditions with the possibility of snow flurries are expected for the Wisconsin-Michigan State game at East Lansing, Mich., and the Syracuse-Pitt set at Pittsburgh. Showers are given a 50-50 chance at Seattle where Southern California and Washington clash in the top game on the Pacific Coast.

OTHER TOP GAMES

Fair and cold are listed for many of the other top games such as Iowa at Ohio State, Colorado at Oklahoma, Mississippi at Louisiana State, and Florida Auburn and Mississippi State at Alabama.

A Friday night rain indicated a possibly muddy field for the Brown at Princeton Ivy League encounter. The Nassau Tigers, along with Texas and Auburn, are among the few major elevens still with perfect records. All are expected to extend their streaks.

No. 1 ranked Texas is favored over SMU as are No. 2 Illinois over Purdue, No. 3 Mississippi over LSU and No. 4 Navy over Notre Dame. No. 5 Auburn is expected to down Florida.

Dartmouth at Yale, Duke at Georgia Tech, Nebraska at Missouri, Stanford at Oregon State, California at UCLA and Utah at Arizona State are some of the other important games not involving the Top Ten teams.

Jockey Howard Grant of Cincinnati led Monmouth Park's riders with 50 winners this season. He had five more than Steve Brooks.

"Harry's Girls"**Gives Armchair Travelers A Weekly Look At Europe**

Larry Blyden, star of "Harry's Girls" (NBC, Fridays, 9:30 p.m.) smiles at saucy, svelte Dawn Nickerson. They're currently filming in Paris where the food is tempting. Says Larry, "We all hate her. She has food in her mouth all the time, never gains an ounce."

By RUTH E. THOMPSON

"I almost wish we could have started our series in the middle," Larry Blyden was heard to sigh even before his current NBC-starrer "Harry's Girls" premiered.

Filming of the first 13 episodes (mostly on the Riviera) had been completed at that point and he explained, "We all

love doing the show, but more than that I have the feeling that it's been building. Unlike a lot of other series, though, we didn't pull the juiciest to throw in at the beginning.

But likeable Larry, who's dieted match-slim for the role ("because whoever saw a fat song and dance man?" has a problem. He just can't go get-

ting too smooth, it would spoil the gimmick which is that Larry as Harry Burns isn't supposed to be exactly first rate . . . and Larry as Larry Blyden is as talented as they come.

FINE ACTOR

A fine actor, he made a sharp television impact several years back as the movie mogul living the wrong definition of success

in "What Makes Sammy Run?" and he's lighted up Broadway in both straight plays ("Oh Men, Oh Women," "Mr. Roberts") and musical comedy ("Flower Drum Song" — in which he taped his round eyes to try to look oriental "never could look the part really, and my profile didn't help any").

The series is based ever so loosely on the Gene Kelly movie, "Les Girls," but with a difference. Larry's Harry is a sort of crafty big-brother . . . no love interest between "the boss" and the girls played by natural blonde Dawn Nickerson, natural redhead Drahn Williams and natural brunette Susan Silo (three different types as well as hair coloring so you can tell them apart in a flash).

LONG CAREERS

Two of these three lucky girls — and since they'll all be living in Paris all winter, how lucky can you get — have been in show business since childhood. Susan started at four, glamorous Di-ahn went to work at seven. Dawn got started a little later. She first appeared as a solo singer at 14.

They film in Europe for authenticity — that's where the fictional song and dance act tours so that's where the real people work.

"You know," explained Larry when I caught up with him during a recent five-day whirlwind personal appearance tour in the U.S., "Harry's act is out of

style. It's era was the mid-1930's. But in Europe such an act would be accepted by club audiences because it's foreign, it's American."

NATURAL GLAMOUR

Larry went on to say the program was aiming for the absolutely natural glamour of the surroundings where "Harry's sort of phony style" takes on its own nostalgic charm for American viewers.

I turned attention to Larry's schedule. Leave Paris Friday night, fly to New York, see a few people, then fly to Detroit to visit children (Ellen 6 and Joshua 2 who were on the road with their mother, dancer-choreographer Carol Haney). Then a jumble of places, New York, Atlanta, Boston, then back to Paris to report for work at the studio 9 a.m. Friday (and he'd lose six hours crossing the ocean).

A LITTLE RUGGED

"Eat" someone implored. "You'll never survive." He allowed as how it was a little rugged but he grinned, "I'm no Dawn Nickerson. That girl has food in her mouth all the time, never gains an ounce. Naturally all of us on the set hate her (but he didn't sound as if they did, really). I feel especially sorry for Susan. They share an apartment and Susan says she puts on weight if she even looks at a pastry."

Do all the girls live together, (Continued On Page 4)

HAPPY NEW YEAR!

There'll be some changes made this year in pushing away the old and wishing the new... but nothing too dreadful. Guy Lombardo will still be waving the baton.

What is changing is the setting.

The Main Concourse of Grand Central Terminal in New York is being transformed into a ballroom New Year's Eve for the benefit of Mental Health, with the Lombardo orchestra supplying the music. Seems it's also the golden anniversary of the terminal.

Another landmark, and the one that has customarily figured in radio-TV coverage of New Year's Eve, is faring less well. An announcement says the usual "giant sphere on the Times Tower will descend to mark the turn of the year. But The Tower itself will be either absent, or betwixt and between. The illuminated news sign has already gone and, stone by stone, the old structure is giving away to a newer one on the same spot.

OLDEST PROGRAM

November marks the 15th anniversary of "Lamp Unto My Feet," oldest religious series on network television. The CBS 10 a.m. series will present four successive special programs beginning November 21 in observation. Included will be a specially commissioned ballet and a violin concerto. Mercedes McCambridge will do the ballet narration.

"Harry's Girls"

(Continued From Page 1)

I wondered aloud, forgetting all about food. "No," Larry said. "Diahn got an apartment of her own — a lucky break. Friends of hers were giving up their apartment just when she started to look for one." Diahn has lived in Paris before when she modelled for Dior and French magazines. (The beauty has also been a Jackie Gleason girl and a Mitch Miller dancing songstress.)

Larry added to the housing news. He too had just landed an apartment of his own to hole into for the winter "on the Bois de Boulogne, not from the Arc de Triomphe and less than half an hour from the studio." Then he glanced at the heavy schedule, "I'm supposed to move in Saturday."

Where does he get the endurance I wondered again. This song - and - dance bit must be an energizer because there wasn't a breather any place. Though Texas-born Larry lived in New York for years during his early career and his marriage (which ended in divorce in 1962) he was living strictly tourist this time.

"What have I done today? Conferred with my business manager to see why I'm earning more and getting less. Then I had to get away and shop. Our wardrobe mistress (who is a countess) wanted a transistor radio; the crew in Nice wanted two baseballs and six gloves, then a friend asked me to get him a specific kind of raincoat at Abercrombie and Fitch.

MADE IN LONDON

"Yes, I got it. Know what the label says? 'Made in London.'" Irony because Larry will be doing some exterior shots there in a few weeks.

The show had originally planned to do its interiors in London but strict labor laws prevented importation of Continental actors "whom we need for authenticity, one reason we're over there." Great Britain studios and crews lost out on several million dollars as a result and "Harry's" pulling out has been instrumental in effecting a change.

So if you sort of have the wanderlust, but sort of want to stay at home, keep your eye on "Harry's Girls." They'll take the high road while we take the arm chair and we'll all get to Sweden together.

TV DEFINES WORD

"Gromet" is not a tool and it's not hardware according to ABC - Television which came across it in research for the "1492" special, first seen four days after Columbus Day and due for a repeat in December.

"Gromet" is a cabin boy and a deck hand . . . and the Nina, the Pinta and the Santa Maria were well staffed with them.

THE WAR THAT WASN'T

"In name only, it wasn't a war. . ."

"It looked like war. It hurt like war. It WAS war. It was that war in Korea." The second statement is by Richard Hanser, writer of a "Project 20" 90-minute special on the Korean War (NBC-TV), Wednesday, November 20, 7:30 p.m.).

An unidentified definer called it "a war we couldn't win, and couldn't lose, and couldn't quit."

LAUGH LINES

Father may not know best but he's quick with an answer if his name is Woody Woodbury. The "Who Do You Trust Host" didn't puzzle long when his little girls asked "What keeps the moon from falling?"

Quoth the comic, it must be the beams.

PIZZA PUSHES HAMBURGERS IN YOUNG DIET

ATLANTIC CITY, N.J. (AP) — Say Mom, you know that Junior's favorite dish is a hamburger, but did you know pizza is gaining fast?

And how about you Dad — did you know that your daughter doesn't go for any creamed foods?

School children also say "Ugh" to liver, or for that matter, any iron and protein-rich food, no matter how you serve it.

That's the opinion of several experts who ought to know—supervisors of school lunch programs who are attending the 17th annual convention of the American School Food Service Association.

What will children eat? First choice: hamburgers, followed by hot dogs, peanut butter, fried chicken, flavored gelatins, oatmeal cookies, oversized sandwiches and "anything in a roll," they said.

These foods appear to cut across the regional tastes and economic backgrounds and are eaten with equal gusto by children from high-income and low-income brackets alike.

What's the most popular new dish being served in the school these days? Pizza, all agreed.

EXTEMPORIZER

Wade Barnes, who collaborated with Ralph Blane on the score of "Quillow and the Giant" once booked to address a group of television executives spent all his time at the piano instead. He'd expected to illustrate a point or two by extemporizing but the audience got so carried away, he obliged and composed a score of tunes on the spot instead.

"Quillow" the November season - opening color cast in NBC's special Children's Theater series of specials is based on a fantasy by the late James Thurber. Though the Blane Barnes score has been presented in England this marks its television premiere in the U.S.

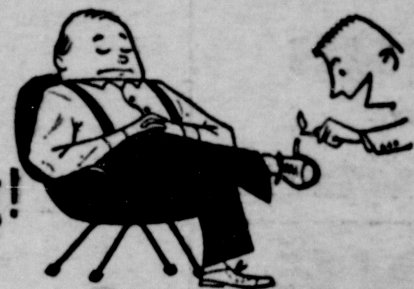

NOTED CLERGYMAN

The Most Reverend Fulton J. Sheen has accepted Jack Paar's invitation to appear on the Jack Paar program's Christmas show December 20. It's his first visit.

Dr. Billy Graham, a frequent Paar guest, will be on the previous week. Bishop Sheen is currently attending the Second Ecumenical Council and will return to New York shortly before the Paar booking.

Says Jack Paar, "Although I have never met Bishop Sheen, have long admired and respected him as one of the great reverent men of our country and hope to chat informally with him as I will with Dr. Graham the week before."
